

Prof. Dr. David Banji

Principal, Department of Pharmacology
Nalanda College of Pharmacy, Cherlapally,
Nalgonda-508001, AP., India

E-mails: davidbanji@gmail.com, davidbanji@in.com

Personal

Date of Birth & Age: 8th April 1964, 45 years

Qualification	B.Pharm:	First class, 1985-86, Govt. College of Pharmacy, Bangalore.
	M.Pharm :	Pharmacology, First class, 1987-88, Govt. College of Pharmacy, Bangalore
	Ph.D:	1994-95, Mangalore University.
	M.S :	Counseling & Psychotherapy, 2004-06

GATE Qualification: GATE – 1986 Exam. Qualified

(Graduate Aptitude Test in Engineering-
An all India level entrance exam for P.G. studies)

Scholarship & Fellowship received :

1. National Merit Scholarship (1980 –1986)
2. UGC Fellowship for PG studies (1986-1988)

Awards & Recognitions:

1. Bio-data included in **Marquis Who's Who in the World** -2010 edition
2. **Leading Educators of the World-2009** – by International Biographical centre, Cambridge, England.

Academic positions held:

- | | | |
|--------------------------|------------|--|
| 1. Lecturer & HOD | 1988-1991, | NGSM Institute of Pharm .Sciences,
Deralakatte, Mangalore, D.K. |
| 2. Asst. Professor & HOD | 1991 –1995 | NGSM Institute of Pharm. Sciences
Deralakatte, Mangalore, D.K. |

3. Reader & HOD	1995-1996	NGSM Institute of Pharm. Sciences Deralakatte, D.K.
4. Principal	1996-2008 (Oct)	Sree Siddaganga College of Pharmacy BH Road, Tumkur –572102.
5. Principal & Professor	since Nov.2008	Nalanda College of Pharmacy, Cherlapally, Nalgonda-508001.,AP.

Teaching Experience:

1. For Under-graduate students(B.Pharm) – 21 years
2. For Post-graduate students(M.Pharm) – 14 years

Subjects taught

For Post-graduate (M.Pharm) students:

Advanced Pharmacology & Toxicology
Pharmacological screening and Clinical drug evaluation.

For Under graduate(B.Pharm) students

Pharmacology
Human Anatomy & Physiology.

Administrative Experience:

1. As HOD, Department of Pharmacology, since 1988-2008.
2. As Warden, Boys Hostel, since 1988 -2008
3. As Staff Advisor for 8 years
4. As Principal since March 1996.
5. As Director, Siddaganga Co-operative Society, since 1998 to 2008

Current Position : Principal & Professor.

Place of work : Nalanda College of Pharmacy,
Charlapally, Hyderabad Road, Nalgonda-508001.

Responsibilities performed / performing:

Institution Building, Academic planning, Academic Leadership, Administration, Financial Management, Budget preparation, Extension of courses, Revenue generation & Management, Scientific Research guidance & writing, Editor, Counselor, Human Resource Development activities, public relation, Interaction with University & Govt. officials, public speaking, holding meetings with management officials, staff, students, public & parents, Organizing various events for staff, students, parents and public, Implementing management decisions , Warden, Director of a co-operative society financial institution etc

Achievement:

1. Provided transparent and clean administration.
2. Earned laurels from students community as productive teacher, skilled administrator and good researcher.

Positive Points:

1. Hard working
2. Sincere & loyal
3. Transparent in all financial & administrative activities
4. Trustworthy.

Research activities carried out / conducted:

1. Toxicological studies including genotoxicity
2. Antidiabetic studies
3. Drug-drug interaction studies
4. Bioavailability & Pharmacokinetic studies
5. Wound healing, anti-inflammatory and analgesic activities
6. Psychopharmacological studies
7. Fertility/antifertility studies
8. Evaluation of antioxidants potentials of chemicals & herbs
9. Urolithiatic and nephrotoxicity studies
10. Microbiological assays/studies
11. Herbal Pharmacology.

Research guidance experience:

No. of M.Pharm students guided -28

No. of Ph.D students guided as co-guide-03

No. of Ph.D students guiding – 02.

Research Projects undertaken by me

1. Comparative assessment of some oxytocin analogues (M.Pharm dissertation project – 1988)
2. Investigation on the cytogenetic toxicity of drugs in experimental animals (Ph.D thesis-1994)
3. Pharmacological screening of thiazole derivatives (10 derivatives for various pharmacological activities-1997, Mangalore University project)
4. Pharmacological screening of sydnone derivatives for (15 derivatives-1997 , Mangalore University project)
5. Pharmacological screening of thiadiazole derivatives (12 derivatives-1998, Mangalore University projects)
6. Pharmacological screening of Mannich bases (25 derivatives-1999- Mangalore University projects).

Research projects guided by me:

1. Effects on Dashamoolarista on hepatic and pancreatic enzymes and certain serum constituents in experimental animals
2. Effect on bioavailability of allopathic drugs in the presence of an ayurvedic formulation Dashamoolarista.
3. Bioavailability of Rifampicin in the presence of turmeric (curcuma longa) and hepatoprotective activity of turmeric.
4. Investigation on mutagenicity of Ibuprofen in mice by micronucleus and sperm abnormality assay.
5. Antimutagenic studies of alpha Lipoic acid in mice by chromosomal aberration assay.
6. Psychopharmacological actions of Momordica charantia and Ocimum sanctum.

7. Pharmacological investigation on captopril for hypolipidemic & anti-inflammatory activities in experimental animals.
8. Comparative study of antioxidants captopril & Quinapril on hepatotoxicity induced by antitubercular drugs and assessment of their effect on inflammation and coagulant activities in rats.
9. Investigation of fertility activity of the fresh juice of *Rhaphanus sativus* on experimental animals.
10. Investigation of antioxidant and antiulcer activity of fresh juice of leaves of *Coriandrum sativum*.
11. Studies on wound healing and related activities of aqueous extract of *Coleus ambonicus*.
12. Studies on wound healing properties of alpha lipoic acid.
13. Anti-stress activities of *Benincasa hispida* on experimental animals
14. Investigation on thrombolytic and antioxidant activities of extract of *Carica papaya* fruit in rats.
15. An appraisal on the immunomodulatory and adaptogenic property of Ajowan oil.
16. Investigation on the bioavailability of tolbutamide in presence of aqueous extract of seeds of *Capsicum annuum* in experimental animals.
17. Investigation on antiurolithiatic activity of extract of *Boerhavia diffusa*.

Research paper Reviewer / evaluator:

- a. Reviewer of “ Indian Journal of Pharmacology”
- b. Evaluator of Pharmacology articles of “ Indian Journal of Pharm. Education & Research”
- c. Reviewer of research papers of national convention of APTI.
- d. Reviewer of M.Pharm synopsis submitted to Rajiv Gandhi University of Health Sciences,Karnataka.
- e. Reviewer of Pharmaokine- a Pharmaceutical Journal.

Research projects evaluated by me:

1. Wound healing studies on the oral administration of Traumeel
2. Evaluation of the antidiabetic activity of *Syzygium malaccense*.
3. Long term effect of Glibenclamide & Glimeperide on beta cells in partially pancreatectomized diabetic rats.
4. Exploration of healing promoting potentials of Doxycyclic in rats.
5. Effects of *Tinaspora cordifolia* on cognitive functions in an animal model of Alzheimer's disease.
6. Study of probable behavioural teratogenicity of a newer antipsychotic drug Olanzapine.
7. Synthesis & evaluation of the hypoglycemic activity of two thiazolidine-4-one derivatives in rats.
8. Synthesis and evaluation of anti-inflammatory activity of two thiazolidine-4-one derivatives.
9. Studies on the wound healing properties of different extracts of *Curcubita maxima* seeds in rats.
10. Comparison of the hypoglycemic activity of two formulations of *Embllica offinalis* with HMG-CoA reductase inhibitor in rats.

Publications:

1. Synthesis and biological activity studies of 1,3,4-thiadiazolo(2,3-c)-as-triazines. Bollettino Chemico Farmaceutico, Vol.136, March 1997.

2. Sydnone derivatives :part VII: Synthesis of some novel thiazoles and their pharmacological properties. Arch. Pharm.Med.Chem.2001,334, pp,263-268.
3. Synthesis and biological studies of some Imidazole derivatives. Bolettino Chemico Farmaceutico-Anno. Vol.140-N-6, Nov/Dec.-2001
4. Evaluation of Antiaggressive activity of *Eclipta alba* in experimental animals. Pakistan Journal of Pharm. Sciences.Vol. 21, Issue 2, Dec.2008, pp. 195-199
5. Scrutinizing the aqueous extract of leaves of *pedalium murex* for the antiulcer activity in rats". Accepted for publication, MS-605, Pakistan Journal of Pharm. Sciences.
6. Impact of the aqueous extract of *Eclipta alba* on maternal aggression in rats. Accepted for publication, MS -590, Pakistan Journal of Pharm. Sciences
7. Extraction, Identification, Formulation and Evaluation of Piperine Alginate beads. International J. of Pharmacy and Pharmaceutical Sciences, Vol.I, Issue 2, Oct-Dec.2009.
8. Evaluation of Anthelmintic Activity on the flowers of some traditionally used medicinal plants. Int. J. Pharmacol. Biol. Sci. Vol.3(3): 2009, 21-24.
9. Formulation and Evaluation of Venlafaxine HCl enclosed in Alginate Microbeads Prepared by Iontophoric Gellation Method. Int. J. Pharma.Research and Development-Online: IJPRD/2009/PUB/ARTI/VOL-8?OCT/006, ISSN 0974-9446.-www.ijprd.com
10. Antibacterial Activity of Aqueous Extract of *Coleus Ambonicus*. Pharmacologyonline 3:224-226(2008)
11. Nonstructured Porous Silicon – A novel Biomaterial for drug Delivery. Int. J. Pharmacy & Pharm.Sciences, Vol-I, Issue-2, Oct-Dec-2009
12. Scrutinizing the role of aqueous extract of *Trapa bispinosa* as an immunomodulator in experimental animals. Accepted for publication; MS- 43792, Int. J. Research in Pharm.Sciences, Vol-1. Issue1, Jan-March-2010
13. Synthesis and pharmacological activity of some oxazolone derivatives Ind. Journal of Heterocyclic Chemistry, Vol.9, Sept., 1999, pp-47-50
14. Sydnone derivatives Part III: Synthesis and pharmacological study of 3-aryl-4-[substituted piperonulidine hydrazine-4-thiazolyl] sydnone. Ind. Journal of Heterocyclic Chemistry, vol-9, March 2000, pp.217-222
15. Sydnone derivatives: part-V-: Synthesis and pharmacological properties of novel triazolothaidiazepines. Indian Journal of Chemistry, vol.41B, August, 2002, pp-1712-1717.
16. Assessment of the anxiolytic potential of the aqueous extract of *mimosa pudica* in experimental animals. Indian Drugs, Vol.44(2), December 2007,953-957
17. Investigation on the effect of *Eclipta alba* on animal model of learning and memory. Indian Journal of Physiology & Pharmacology, Vol.51(3), July-September 2007, 274-279.

Presentations:

1. Effect of bioavailability of sulphadiazene in the presence of an ayurvedic formulations- Dashamoolarista. Int. National seminar on recent trends in Pharm.Sciences, 1995, Ooty.
2. Synthesis and pharmacological evaluation of benzylidine derivatives of Indolyl thiazolidinedione and barbiturates. Int. National seminar on recent trends in Pharm.Sciences, 1995, Ooty
3. Investigation on anthelmintic activity of aqueous extract of *Nyctanthus Aboror-tritis* Linn. 2nd Int.symposium on drug discovery and Process research, 2006, Belgaum.
4. Investigation on antibacterial and antiinflammatory activity of the aqueous extract and fresh juice of *Coleus ambonicus*. 2nd Int.symposium on drug discovery and Process research, 2006, Belgaum

5. Formulation and evaluation of anti-inflammatory activity of ketorolac tromethamine. 12th International pharmatechnology symposium, Istambul, Turkey, 13-15th Sept.2004.
6. Natural Medicines Causing Acute Kidney Injuries. Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India.
7. Comparative study on the wound healing property of two selected formulations prepared from the root extract of the *Polyscias scutellaria* (Burm. F). Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India.
8. Evaluation of antibacterial activity and In-vitro antiplatelet aggregation effects of *Physalis angulata*. Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India.
9. In process quality control of various Pharmaceutical dosage forms. Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India.
10. Can GLP be implemented in Indian Institutional Pharma Labs? Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India.
11. QUALITY MANAGEMENT – PATHWAY FOR SUCCESS. Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India.
12. Investigation on the impact of Ibuprofen on sperm quality in mice. Indo-American Pharmaceutical Regulatory Symposium, Oct-11-13, 2009, India
13. A study on mutagenic effect of ranitidine hydrochloride on bone marrow cells of mice using micronucleus assay. Ind, Pharm. Congress, Waltair, 1995.
14. Synthesis and pharmacological activity of 4-(arylsydnonyl)-2-(4-arylhydrazono-3-methyl-5 oxo-2-pyrazolin-1-yl)-thiazoles. Indian Council of Chemists, National Conference, Shimoga, 2000.
15. Synthesis and pharmacological study of 3- substituted-6-(3-arylsydnonyl)-8-aryl-1,2,4-triazole[3,4,-6][1,3,4]thiadiazepines. 3rd National symposium in chemistry, Center of Advanced studies in Chemistry, Punjab University, Chandigarh, India, 2000.
16. Influence of dashamoolarista on bioavailability of paracetamol in experimental animals. Indian Pharm. Congress, Kolkata, 3rd to 5th Dec., 2004.
17. Studies on wound healing activity of ALA in rats by excision wound model method. Indian Pharm. Congress, Kolkata, 3rd to 5th Dec.,2004
18. Improvement of ocular penetration of pefloxacin mesylate by association to polyethylcyano acrylate nanoparticles. Indian Pharm. Congress, Kolkata, 3rd to 5th Dec.,2004
19. Investigation on anti-inflammatory activity of an ACE inhibitor captopril in rats. Indian Pharmaceutical Congress, Hyderabad, Des, 2nd-4th Dec.2005.
20. *In vitro*- & *in vivo* evaluation of nanoparticle based ocular delivery system for tinolol maleate. Indian Pharmaceutical Congress, Hyderabad, Des,2nd-4th Dec.2005.
21. Investigation of the effect of fresh juice of *Raphanus sativus* on spermatogenesis in rats. Indian Pharmaceutical Congress, Hyderabad, Des, 2nd-4th Dec.2005.
22. Comparative assessment of the effect of quinalapril and captopril on inflammation induced by carragenaan in rats. Indian Pharmaceutical Congress, Hyderabad, Des,2nd-4th Dec.2005.
23. Investigation of antiulcer activity of fresh juice of leaves of *Coriandrum sativum* in rats. Indian Pharmaceutical Congress, Hyderabad, Des,2nd-4th Dec.2005.
24. MEMS- A Recent research that opens new doors for drug delivery. Presented at National conventional on recent developments in Pharm. sciences, at MNR College, A., Feb., 27-28, 2009.
25. New boon in tumor drug delivery- dendrimers. Presented at National conventional on recent developments in Pharm.sciences, at MNR College, A., Feb., 27-28, 2009.
26. "Flucloxacillin alginate microspheres". Presented at National conventional on recent developments in Pharm. sciences, at MNR College, A., Feb., 27-28, 2009.

27. "Review on medicinal plants used in treatment of alzhemiers disease: Presented at National conventional on recent developments in Pharm. sciences, at MNR College, A., Feb., 27-28, 2009.
28. Advances in stem cell therapy - an overview. Presented at National conventional on recent developments in Pharm. sciences, at MNR college, A., Feb., 27-28, 2009.
29. Anthelmintic activity of flower extracts of some medicinal plants. Presented at National conventional on recent developments in Pharm. sciences at MNR college, A., Feb., 27-28, 2009.
30. "Microencapsulation of agar microspherules incorporated with solid dispersion of nimesulide-a novel approach for controlling drug release". Presented at National conventional on recent developments in Pharm. sciences, at MNR College, A., Feb., 27-28, 2009.
31. "Investigation on Effect of Fresh Juice of *Raphanus Sativus* on Spermatogenesis in Rats", 57th IPC, Hyderabad, 2005.
32. Investigation of Antiulcer Activity of Fresh Juice of Leaves of *Coriandrum Sativum* in Rats", 57th IPC, Hyderabad, 2005
33. Alpha-Glucosidase inhibitors and hypoglycemic activities of *Piper trioicum* extract. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh.
34. Evaluation of antioxidant activities of some medicinal plants by in-vitro methods. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
35. In-vitro antioxidant activity and in-vivo nephroprotective activity of *Embelia ribes* burm fruits alone and in combination with vitamin E in drug-induced nephrotoxicity in rats. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
36. Enhancement of dissolution rate of Efavirenz by solid dispersion technique. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
37. Investigation on the impact of ibuprofen on sperm quality in mice. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
38. Traditional knowledge documentation: a source of new lead identification in early drug development. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
39. Evaluation of antibacterial activity and in-vitro antiplatelet aggregation effects of *Physalis angulata*. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
40. Formulation and evaluation of Rosiglitazone mouth dissolving tablet. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
41. Formulation and evaluation of Ampicillin trihydrate floating tablets. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
42. Formulation and evaluation of Lovastatin microspheres with improved solubility and prolonged action. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh

43. Antioxidant and alphasglucosidase inhibitory activity of *Schrebera swietetnoidex* D. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
44. Antiulcer effect of *Butea frondosa* against stress induced ulcer. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
45. Evaluation of total polyphenolic content and free radical scavenging activities of successive extracts of *Ofamaranthus tricolor*. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
46. Analytical method development for simultaneous estimation of curcuminoids, gallic acid and ascorbic acid in polyherbal formulation Nisha Amalakai Vatti. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
47. High throughput screening – a novel approach to drug discovery. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
48. Quality management –pathways for success. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
49. Maintenance of quality – heart of Pharmaceutical activities. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
50. A Gold standard – cohort study in clinical trials. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
51. Reversing the cellular clock: cell programming production of induced pluripotent cells from adult body cells. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
52. Clinical research: From the regulatory angle. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
53. Can GLP be implanted in Indian Institutional Pharma Labs? Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
54. DOHA declaration on TRIPS agreement and public health. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
55. In-vivo testing without use of animals. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
56. Herbal medicinal products: quality, safety and efficacy considerations. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
57. Alternative to animal experiments. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
58. Herb-Drug interactions. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh

59. Pulsatile drug delivery. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
60. Nose: Playing a key role in delivering drugs to brain. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
61. Nutraceuticals in treatment of diseases. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
62. Nano dendrimers: new evolution in drug delivery systems. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
63. ADEPT – Novel key for delivering drugs to cancer cells. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
64. Drug therapy for swine flu – An overview. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh
65. Apoptosis: An approach for the cancer drug development. Indo-American Pharmaceutical Regulatory Symposium, 12th-14th October 2009, Nalanda College of Pharmacy, Nalgonda, Andhra Pradesh

Reports / Review Articles:

1. Diarrhea in children- a global menace. Ind. Journal of Hospital Pharmacy, May 2000.
2. Carcinogenesis, Express Pharma Pulse, July, 1999
3. Traits and role activities of an effective teacher. Ind. Journal of Pharm. Education, 27(1), March 1993.
4. Alzheimer's disease-need for an effective drug. Medivision (Indian Express Group), Nov., 1997
5. Spirit of professionalism for better education. Ind. Journal of Pharm. Education, June, 1998
6. A wonder herb for cancer. Science Express (Indian Express Group), May, 1998

Other academic positions held:

1. Chairman, Selection Committee. **Central Institute of Research on Goats**, Mathura, Govt. of India.
2. Inspector, **Pharmacy Council of India**.
3. Chairman, **Local Inspection Committee**, since 2002. Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore
4. Member, **Academic Council**, 2000-2001. **Rajiv Gandhi University of Health Sciences**, Karnataka, Bangalore.
5. **Member**, Local Inspection Committee, since 1999. **Rajiv Gandhi University of Health Sciences**, Karnataka, Bangalore.
6. **Member**, Academic Council, 1997-98, **Bangalore University**
7. **Member**, Board of Examiners, 1997-98. **Bangalore University**
8. **Member**, Board of Studies, 1996-99. **Rajiv Gandhi University of Health Sciences**, Karnataka, Bangalore.
9. Examiner, **Tamilnadu Public Service Commission**, Chennai.
10. Examiner, since 1990. **For various Southern Universities of India**.

11. Chairman, **Rational drug Therapy**, A Scientific Convention held at Fr. Muller's Hospital, Kankanady, Mangalore, 1993.
12. Editor, **Siddaganga Pharmacy Bulletin**, a monthly official publication of SSCP,
13. **Judge**, Research paper presentation at "National Seminar on Clinical & Community Pharmacy" held on 23rd & 24th Oct. 2001 at Mysore.
14. Member, **BOS(PG)**, RGUHS, 2004-05.
15. **One man Committee** to look into affiliation matter of RGUHS. May 2004.
16. Inspector, **AICTE, Govt. of Karnataka.**
17. Pharmacy Inspector, **Karnataka State Pharmacy Council**, Govt. of Karnataka.

Training Undergone:

1. "Effective teaching" – 15 days- UGC –Organized at Mangalore University
2. "Classroom Techniques" -5 days- MAHE, Manipal.
3. "Research Methodology"- 2 days_ Rajiv Gandhi University of Health Sciences, Karnataka.
4. "Computer Training"- 15 days- Siddaganga Institute of Technology, Tumkur.
5. Executive Development Program" -1 week program organized by the Association of Principals of India at Poona University during 23rd -29th April 2007.

Organizing skills:

1. 3 days workshop on 'Effective teaching' for the teaching faculty of Siddaganga college of Pharmacy, Tumkur, From 6th Jan., to 9th Jan., 2003.
2. 3 days workshop for teachers of "Nitte Education Trust" Mangalore on "Effective communication skills & class room techniques" in 1992.
3. "Pharma Exhibition" for a period of one week to highlight about the profession of Pharmacy & its activities to the general public.
4. Institution Convocation day in lines with the University procedure.
5. Weekly "Personality Development camps" for youths of Sasthan, Brahmavar taluk, Udupi District for period of two years.
6. Weekly "scientific club" for the teachers of the institution for a period of two years.
7. Monthly health awareness camps in the villages.
8. Training programs for community pharmacists.
9. Various cultural, literary & sports activities for college students & members of youth association of Sasthan, Brahmavar Taluk, Udupi District.
10. 2 days function on Golden Jubilee Celebration of Pharmacy Council of India in Sree Siddaganga College of Pharmacy, Tumkur.
11. **International Symposium: Indo-American Pharmaceutical Regulatory Symposium In association with Northeastern University, Boston, USA., Oct. 11-13, 2009.**
12. Various Guest lectures, demonstrations, discussions, speeches, scientific deliberations organized in the college and outside for the benefit of student community.

Field of Research :

1. Screening of herbs for various pharmacological activities.
2. Pharmacokinetic studies
3. Drug Interaction studies
4. Toxicity studies
