

Dr. FOUZIA HASSAN

Professor

Department of Pharmaceutics Faculty of Pharmacy,
University of Karachi, Karachi-75270, Pakistan
e-mail: fouzia_hasan08@yahoo.com

PERSONAL DATA

Date of Birth	22 November 1954 (Karachi)
Domicile	Karachi (Sindh)
N.I.C. #	502-89-744252
Marital Status	Married
Residential Address	C-6, Staff Town, University of Karachi, Karachi-75270, Pakistan
Contact No.	Off: 9261367, 9261300-7/2252

EDUCATION

Ph.D. (Pharmaceutics)	University of Karachi	1997
P.G.D. in Statistics	University of Karachi	1991
M. Phil.	University of Karachi	1990
M.Pharm.	University of Karachi	1979
B. Pharm.	University of Karachi	1975
Intermediate	Khatoon-e-Pakistan College	1972
Matriculation	Khatoon-e-Pakistan College	1970

FIELD OF RESEARCH

1. Pharmacokinetics
2. Physical Pharmacy
3. Drug Stability

TEACHING EXPERIENCE

1. Professor of Pharmaceutics from January 2001 till date (5 years in the Faculty of Pharmacy, University of Karachi.
2. Assistant Professor of Pharmacy from January 1994 to January 2001 (8 years in the Faculty of Pharmacy, University of Karachi.
3. Lecturer in Pharmaceutics from January 1990 to June 1994 (4 years in the Faculty of Pharmacy, University of Karachi.
4. Lecturer in Pharmaceutics in the Department of Pharmacy, University of Baluchistan, Quetta from 1980 to 1986 (6 years).

PROFESSIONAL EXPERIENCE

1. Production Incharge in Lisko Pharma, Karachi (March 1979-May 1980).
2. Quality Control Analyst in Hilton Pharma. Karachi (1986-1987).

ADMINISTRATIVE EXPERIENCE

1. Chairperson, Department of Pharmaceutics, Faculty of Pharmacy from December 26, 2002 to January 2006
2. Chairperson, Department of Pharmaceutics, Faculty of Pharmacy from January 9 to-date.

MEMBERSHIP

1. Registered Pharmacist A-category with Pakistan Pharmacy Council.
2. Member Board of Faculty of Pharmacy, University of Karachi.
3. Former Member Board of Studies in Pharmacy, University of Baluchistan, Quetta.
4. Former Member Board of Studies in Pharmacy, University of Sindh. Member Board of Studies in Faculty of Pharmacy, University of Karachi. Member Board of Studies in Ziauddin Medical University Karachi.
5. Member Academic Council, University of Karachi.
6. Member Pakistan Pharmacist Association.
7. Member Editorial Board of Pak. Journal of Pharmaceutical Science, Faculty of Pharmacy. University of Karachi.

8. Life Member, Pharmaceutical Society of Pakistan
9. Life Member, Pharmacological Society of Pakistan.
10. Member, Provincial Quality Control Board, Sindh, Karachi.

EXAMINER

1. Examiner in the Department of Pharmacy, University of Baluchistan, Quetta.
2. Examiner in the Department of Pharmacy, Islamia University of Bahawalpur.
3. Examiner in the Department of Pharmacy, Hamdard University, Karachi.
4. Examiner in the Department of Pharmacy, Ziauddin Medical University, Karachi.

LIST OF CONFERENCES/SEMINARS/WORKSHOPS PARTICIPATED

1. 25th Urdu Science Conference, 16th - 18th February, 1991, Karachi.
2. First International Conference on Pharmaceutical Sciences, 18th - 21st January, 1992, Karachi.
3. 26th Urdu Science Conference, 9th - 3rd April, 1992, Bahawalpur.
4. First National Conference on Pharmacology and Therapeutics, 1995.
5. Conference on Pharmacology and Therapeutics held on Dec., 14-15, 1996.
6. First One day Seminar on Herbs, medicines and Therapeutics, Pakistan, 29th March, 1997.
7. Second One Day Seminar on Naturo-Phytomedicines. 1st Future Perspective in Pakistan. 27th November.

TRAINING COURSE ATTENDED

Organized by the U.G.C. in Karachi from 21 - 27 August, 1998.

COMMERCIAL PROJECT

Worked as Investigator on Analysis of Different Hyoscine Derivative by Geofman Pharmaceuticals.

STUDENTS ENROLLED IN Ph.D.

1. Topic: "Evaluation of the Bioequivalence and Pharmacokinetics of Two Commercial Formulations of Meloxicam After Single Oral Administration in Local Population.
2. Topic: "Formulation of Antioxidant Tablets and their extended stability studies".
3. Topic: "Physico-Chemical and Kinetic investigation of effects of Micelles on reaction of P-Nitrophenyl Ester with Hydroxide ion.

LIST OF PUBLICATIONS

1. Stability studies of diabetic syrup of ferrous sulphate. J. Pharm, Univ. Kar., 5(2):55-91 (1987).
2. Secretion of B-glucosidase by *Penicillium expansum* in submerged culture millet husk as a carbon source. Journal of Research (Science). 2(1): 19-24 (1985).
3. Effect of cultural conditions on amylase production by *Penicillium expansum*. Pakistan J. Sci. Ind. Res., 31(5): 357-360 (1988). .
4. Micellar effects of non-ionic surfactants on the rate of hydrolysis of p-nitrophenyl acetate. Anales Real Acad. Fam., Spain, 58(2): 241-248 (1992).
5. Kinetics of degradation of p-nitrophenyl acetate in anionic micelle. Bulletin de la Society, France, 133 (3-4): (1994).
6. A comparative study of a series of cationic surfactants towards the basic degree of hydrolysis of p-nitrophenyl acetate. Journal of Pharmaceutical Sciences. 9(1), (1996).
7. Measurement of viscosity of cationic micelle in aqueous solution of electrolytes. Kar. Univ. J. Sc., 25(2): 149-153 (1997)
8. CNS potential of *Cistanche rabulosa*. 2nd Proceeding of Pharmacology and Therapeutics (1997).
9. Influence of carbon chain length on critical micelle concentration of *Cationic micelle*. Pakistan Journal of Pharmacology, 15(1), (1998).
10. Effect of disintegrants and hardness on the disintegration time of Acetaminophen tablets. Pakistan Journal of Pharmaceutical Sciences, 11(1), (1998).
11. Viscosity studies on Menstrol. Pakistan Journal of Pharmaceutical Sciences, 11(2), (1998).
12. Antibacterial and kinetic properties of some cationic surfactants. Pakistan Journal of Pharmacology, 17(1), (1999).
13. Substrate Partitioning in micellar environment. Bollitino-Chimico Farmaceutico Societa Editorial Farmaceutica, Italy Vol. 138(9), (1999).
14. Effect of particle size on drug release from ointment bases. Pakistan Journal of Pharmacology, 16(2), (1999).
15. Dissolution rate studies on Acetaminophen tablets. Pakistan Journal of Pharmaceutical Sciences, 13(2), (2000).
16. Drug release from different ointment bases. Pakistan Journal of Pharmacology, 18(2): (2001).
17. Evaluation of Acetaminophen tablets by control test. Pakistan Journal of Pharmaceutical Sciences, 14(2), (2001).

18. Susceptibility of Proteus and Klebsiella to Antimicrobial Agents. Pakistan Journal of Pharmacology, 19 (1), Jan. (2002).
19. Studies on Sustain Release Tablets of Flubiproten. Pakistan Journal of Pharmacology. 19 (1), Jan. (2002).
20. Comparative Evaluation of different Iron Preparations used in Pregnancy. Pakistan Journal of Pharmacology, 20(2): July 2003.
21. Effect of Food on the Bioavailability of Diclofenac Sodium in local population Karachi University Journal of Science 3 t (2), (2003).
22. Pharmacokinetics of Diclofenac Sodium in normal man. Pak. J. Pharmaceutical Sciences. 18(1) Jan 2005.
23. Studies on the Formulation Development of Theophylline Tablets by Dry granulation method. Proceedings of third Biennial Conference on Pharmacology and Therapeutics 2005.
24. Antibacterial Studies of Sulfacetamide ophthalmic solutions and suspensions. Pakistan Journal of Pharmacology 22(2) 2005.
25. Studies on the effect of cyclodextrin Polymer as Tableting Aid on some Selected Analgesics. Pak. Journal of Pharmacology 23(1), 2006.
26. Screening of antibacterial activity of different brands of co-trimoxazole paediatric suspension available in the local market. Pakistan Journal of Pharmacology, 23(2), 2006.
27. Studies on the quantification and composition of dissolution profiles of two brands of meloxicam tablets. Pakistan Journal of Pharmacology, 24(1), 2007.
28. Determination of the pharmacokinetic parameters of meloxicam in healthy Pakistani volunteer using non-compartmental analysis. Pakistan Journal of Pharmacology, 25(1), 2008.
29. Bioequivalence studies of two brands of meloxicam tablets in healthy pakistani volunteers. Pak. J. Pharmaceutical Sciences. 22(2) April 2009 (accepted).

LIST OF RESEARCH PAPERS PRESENTED IN CONFRRRNCS/ SEMINARS AND WORKSHOPS

1. Effect of cationic surfactants on the alkaline hydrolysis of paranitrophenyl acetate. 25th Urdu Science Conference, 16th - 18th February, 1991, Karachi.
2. Kinetic studies of the hydrolysis of p-itrophenyl acetate as model drug in micellar systems. First International Conference on Pharmaceutical Sciences, 18th – 21st January, 1992, Karachi.
3. Effect of different buffers on the base catalysed hydrolysis of paranitrophenyl

acetate. 26th Urdu Science Conference, 9th - 13th April, 1992, Bhawalpur.

4. Effect of viscosity on the p-nitrophenyl propionate systems. First National Conference on Pharmacology and Therapeutics, 1995.
5. Medicinal uses of Mentha herbs. First One day Seminar on Herbs, Medicines and Therapeutics. Pakistan, 29th March, 1997.
6. Medicinal herbs Basil (Tulsi or Nyazbo). Second One Day Seminar on Naturo-Phytomedicines. 1st Future Perspective in Pakistan, 27th November.
