PRESENT STATUS

Professor

Department of Pharmacognosy
University of Karachi

ACADEMIC POSITIONS

2001-present : Professor, University of Karachi, Karachi
1997-2001 : Associate Professor, University of Karachi
1994-1997 : Assistant Professor, University of Karachi
1984-1994 : Lecturer, University of Karachi

ADMINISTRATION POSITON

2010 - Up till now : Dean, Faculty of Pharmacy
2006-2009 : Chairperson, Department of Pharmacognosy
2002-2005 : Chairperson, Department of Pharmacognosy
2002-2005 : Faculty Students' Advisor

RESPONSIBILITIES

- **Teaching**

*

Phytochemistry & Pharmacognosy Lab. work
(Undergraduate students).

*

Advanced Analytical Techniques in Phytochemistry and
Pharmacognosy (graduate and postgraduate students).

- * Instrumental Analysis (HPLC, DCCC, OPLC, Flash chromatography, IR, UV etc.) (Undergraduate, graduate and postgraduate students).
- * Spectroscopy (UV, IR, Mass and NMR etc.) (Undergraduate, graduate and postgraduate students).
- * Biosynthesis of Natural Products, Ethnopharmacognosy Marine Natural Products Chemistry, Fungal Metabolite, Chemotaxonomy etc. (undergraduate and graduate students).
- **Research**
 - * Supervision of M. Pharm. and M. Phil students in the field of Herbal Medicine, Natural Products Chemistry and Problems related of Pharmacy.

SCIENTIFIC COMMUNICATIONS

COURSE WORK EXPERIENCE

Chromatography (HPLC, OPLC, GLC, CLC etc.)
 Anatomy
 Pathology
 Jurist Prudence
 Medicinal Plants
 Pharmacology

Spectroscopy (UV, IR, MS, NMR)
 Physiology
 Gynecology
 Minor Surgery
 Cosmetology

INSTRUMENTATION EXPERIENCE

- Infrared and Raman Spectroscopy
- Ultra Violet and Visible Absorption Spectroscopy
- High Performance Liquid Chromatography
- Gas chromatography
- Centrifugal Layer Chromatography
- Droplet Counter Current Chromatography
- Polarimetry
- Chromatograph with Photodiode Array Detector

RELATED EXPERIENCE

- An in-depth knowledge of Herbs and Herbal System on Ayurvedic (Greeko-Arab) System of Medicine and the Plant used in Homoeopathic and Western Medicine.
- A 19 years six months teaching experience include:
 - taught 8,000 students.
 - supervised four M. Pharm. and five M. Phil students.
 - supervised at least 8 students pursuing M. Phil degrees.
 - published 50 research papers and 10 general articles.

EDUCATION

Post doctorate in Chemical studies on Phytonutirents, Faculty of Agriculture
Shizuoka University, Shizuoka, Japan. **2005.**

Ph.D., in Pharmacognosy, Faculty of Pharmacy,
University of Karachi, Pakistan, **1992**

M. Pharm. University of Karachi, **1982**

B. Pharm. University of Karachi, **1978**

Intermediate, Karachi Board, **1972**

Matric, Karachi Board, **1970**

AWARDS & RESEARCH GRANTS

- TWAS Research Grant (The Third World Academy of Science),1993-94
- Awarded Karachi University Grant. **(1995, 1996 & 1997)**
- Award of Excellence has been given by Pakistan Pharmacists Association (PPA, Sindh) Recognition of affection care dedication guidance and professionalism to teaching and research in the field of Pharmacy **1996.**
- A Gold Medal awarded by Pakistan Pharmacists Association (Sindh) **1997**, in the recognition of dedicated services to life saving profession.
- A Gold Medal awarded by Pakistan Society of Pharmacognosy on outstanding research work in the field of Pharmacognosy **1997.**
- American Bibliographical Society has included her name in the International Directory of Five Thousand Personalities of the world for medical plants and their Pharmacology **1998.**
- Major Zia-ur-Rehman (Shahid) Memorial has given award of excellence in recognition of scientific research work on medicine and medicinal plant, **1998.**
- A Talent Award has given by Pakistan Pharmacists Association (Sindh) in recognition of dedicated service to humanity **1999.**
- HEC Post doctoral fellowship, batch II **2004-2005.**
- Dean's Research Grant, Faculty of Pharmacy, University of Karachi, Pakistan **2008.**
- Protective scientists of Pakistan, Directory Higher Education Commission, **2006.**

RESEARCH SUPERVISION

- Pharmacognostic Studies on *Eichornia crassipes* **(Mart.)** Solms, Syed Meraj Ahmad, **M. Pharm, 1992.**
- Phytopharmacologic Studies on *Bouchea marrubifolia*, M. Shoaib Patel, **M. Pharm., 1992.**
- Chemical and Pharmacological Investigations on Medicinal Plant *Caralluma edulis*, M. Aslam, **M. Pharm., 1994.**

- Stability Studies on antacid (Filmacid Forte gel) with pumpable grade aluminum hydroxide paste magnesium hydroxide paste and replacing methyl cellulose with hydroxyl ethyl cellulose as suspending agent, Nasir Mehmood Mughal, **M. Pharm., 1996.**
- Phytochemical and Biological Studies on Medicinal plant *Ixora coccinea* Linn., Kishwar Jabeen , **M. Pharm., 1997.**
- Phytochemical and Pharmacological Studies on Medicine Plant *Clitoria ternatea* Linn., Tahira Zafar Khan, **M. Phil., 1997.**
- Isolation and Structure Elucidation of Natural Compounds occurring in Medicinal Plant *Callophyllum inophyllum* Linn., Shaukat Mahmood, **M. Phil., 1997.**
- Chemical Investigations and Biological Studies on Medicinal Plants. *Mimosops elengi* L. and *Piper longum* L., Mohammad Arshad Yaqoob , **M. Pharm., 1999.**
- Pharmaceutical and Cosmeceutical Preparation of Medicinal Plants, *Coccinia grandis* L. *Psidium guajava* and *Digera muricata* L., Umbreen Furrakh, **M. Phil., 2001.**
- Chemical Investigation and Biological studies on medicinal plants *Cadiospermum Halicacabum* and *Operculina turpethum* ^{L.}, Huma Shriff, **M. Phil., 2007.**
- Research on Herbomineral formulations ALG - 06 and Dermal Cream and ALG - 06 oral. Dosage form used against Leucoderma., Muhammad Usman, **M. Pharm., 2008**
- Phytochemical and Pharmacological Studies on the Bark of *Holarrhena pubescens* (Buch., Ham)., Syed Tahir Ali, **Ph.D., 2009**
- Pharmacological and Biological studies on *vitex species* and *Holoptelea integrifolia* with special reference to gynecological problems. Shaukat Mehmood, **Ph.D., 2009**
- Effect of herbal drugs, *vitex* supp. *Saraca indica*, *symplocos racemosa*, *embeica officinalis* for balancing of hormones. Sumaira Ishaq, **M. Phil., (Submitted), 2009**
- Standardization of some market available Herbal drugs used in Folk medicine. Zeeshan Haider, **M. Phil. (Submitted), 2009**
- Comparative Pharmacognostic studies of wound healing drugs used *calendula officinalis* and *Tagetes* species. Tayyaba Mumtaz, **M. Pharm (Submitted), 2009**
- Comparative stability studies of Herbal drugs (Memorgin - DC) Tablet with market available brand (Tanakan) Tablet. Majid Feroz, **M. Pharm. (Submitted), 2009**

SUPERVISION AS CO SUPERVISOR

- Aley Ali, Antibacterial and Anti fungal activities of flowers of *Cassia fistula* and *Thuspesia* species. **MSc., Federal Urdu University, 2009.**

- Syed Mussaraf Ali, Chemical analysis of seed of *Acacia nilotica* and *Clitoria turnatia* via Gas Chromatography **MSc., Federal Urdu University, 2009.**
- Uzma Anjum Siddique, Evaluation of Antimicrobial activities of some medicinal plants. **M. Pharm. Department of Pharmaceutics, 2006**
- Sabiha Rabbani, Studies on Bactericidal and fungicidal activities of some Medicinal plants. **M. Pharm. Department of Pharmaceutics, 2006**

SEMINARS & CONFERENCES

- 1st International Symposium on natural products chemistry in Karachi Pakistan **(December 1987)**
- 1st International Symposium on spectroscopy in Karachi, Pakistan **(December 1987)**
- 4th International Symposium and Pakistan US. Bi-National workshop on Natural Products Chemistry in Karachi Pakistan **(January 1990)**
- 19th IUPAC Symposium on the Chemistry of Natural Products in Karachi, Pakistan **(January 1994)**
- Second National Conference on Pharmacology and Therapeutics. 1996, presented one research paper on stability studies Filmacid Forts get Tablet preparation Pakistan.
- Organized First National Herb Medicines and Therapeutics as join secretary of Pakistan Society of Pharmacognosy, **29 March 1997**, Karachi
- Participated in a seminar on Awareness of Diabetic problems and their solution as member of the Department of Pharmacognosy, Faculty of Pharmacy, University of Karachi, **7th November 1997**, Karachi
- Participated in National Workshop on Techniques in Molecular Genetics cutting edge seminar series organized by department of Genetics University of Karachi **April 1-10, 1999.**
- Organized Second National Conference on Herb Medicines and Therapeutics as Joint Secretary of Pakistan Society of Pharmacognosy, **27th November, 1999.**
- Presented a paper in 1st National Conference **2002** on forensic sciences.
- Presented a paper in 1st National Conference 2002 on forensic sciences environmental and applied/Toxicology/Hepatitis/HIV, organized by Sindh Medical College an National Position Control Center (WHO), JPMC, Karachi 28-29th May, 2002. On Toxicology of herbal Drug in human beings.
- Presented a paper in Central Homeopathic College (Golden Jubilee Certificate 2002) on Berberis; A.Multidimensional Homoeopathic Drug on **15th June 2002.**

- Extensive lecture was delivered in the Institute of Clinical Psychology, University of Karachi on Role of Herbs in Neurological Disorders, on **13th July, 2002.**
- **Third** Biennial National Conference on Pharmacology and Therapeutics, under the auspices of Pakistan Pharmacological Society and Hamdard University, Jan 14 & 17, 2005.
- **1st** National workshop/seminar on “Globe Recognition of Patent System” at Institute of Industrial Electronics Engineering (IIEE) Dec 13-14, 2006.
