

Phr Prof. Dr. Nighat Razvi

(B.Pharm., M.Pharm., M.Phil., Ph.D)

REGISTRATION NO: 384

Professor

Chairperson, Department of Pharmaceutics,

Faculty of Pharmacy, University of Karachi

Coordinator Evening Program, Department of Pharmaceutics,

Faculty of Pharmacy, University of Karachi

Teaching/Research

1. Professor (2006-todate)
2. Associate Professor (2002-2006)
3. Assistant Professor (1994-2002)
4. Lecturer (1989-1994)
5. Research Fellow (1982-1989)
6. Full-Time Cooperative Teacher (1981)
7. Join as B.Pharm student in the Faculty of Pharmacy (1973-74)

Academic Qualification

Ph.D	University of Karachi (1990)
Title of Thesis	"Effect of Electrolytes and Hydrocarbon Chain Length of Surfactants of Catalysis for Reactions of Hydroxide ions with Procaine"
M.Phil	University of Karachi (1983)
Title of Thesis	"The Effect of Anionic Micelle of Base Catalyzed Hydrolysis of Procaine of different Ionic Strength"
M.Pharm	University of Karachi (1980)
Title of Thesis	"The Effect of a Cationic Surface Active Agent on Base-Catalyzed Hydrolysis of Procaine Hydro-chloride"
B.Pharm	University of Karachi (1977)
Intermediate	Karachi Board (1973)
Matriculation	Karachi Board (1970)
Post-Graduate Diploma	University of Karachi (1981)

In Statistics
Certificate courses

(FIRST CLASS 2ND POSITION)
(Sindhi, Arabic and German languages)

Awards/Achievements

- * Rank in "PRODUCTIVE SCIENTISTS OF PAKISTAN" Published by Pakistan Council for Science and Technology Islamabad 2004.
- * Member Drug Court, Sindh, Ministry of Law and Justice and Ministry of Health, Islamabad (1999-todate)
- * Senior Most Registered Pharmacists Category 'A' in the Faculty of Pharmacy, University of Karachi. Registration No. 384 (1981)
- * 2nd position holder in Post-graduate Diploma in Statistics from Department of Statistics, University of Karachi.
- * Published several Research papers in National/International Journals.
- * First Ph.D. Degree holder in Physical Pharmacy from Karachi University 1990.
- * Awarded Gold Medal by Faculty of Pharmacy, University of Karachi 1997.
- * Cash award for the Gold Medal from Site Association Karachi 1990.
- * Awarded Karachi University Research Fellowship (1983-1988) for M.Phil/Ph.D Programmes.
- * Received Several Shields and Merit Certificate in various International/ National Conference for Presenting Research Papers.
- * Lecture delivered on "Pharmacy Curriculum" in Teacher Training Programme Organized by UDG, Islamabad (1998).
- * Certificate awarded for participating in Career Oriented Seminar on "Good Manufacturing Practice; Quality Control, Quality Assurance and Manufacturing Technology, organized by PPA (Karachi) 1998.
- * Member Pakistan Pharmacist Association.
- * Life member Pharmacological Society of Pakistan.
- * Research Supervisor of several students in the field of Pharmaceutical Sciences (M.Phil/Ph.D and M.Pharm) who have completed and awarded M.Phil/M.Pharm Degree
- * Attended and paper presented in several Conference/Workshop (1981-todate).
- * Certificate of merit awarded on University teachers program organized by Higher Education Commission Islamabad 2005.
- * Certificate of merit organized by Immunology and Infectious Diseases Research Laboratory, Department of Microbiology, University of Karachi and Global Marketing Services-Karachi(2005).

General Academic Outlines:

- * Visiting Professor, Jinnah Medical & Dental College, Karachi, Jan-Dec, 2006.
- * External Examiner for B.Pharmacy/Pharm-D Courses in University of Balochistan, Quetta (1988-todate)
- * Project Examiner of M .Sc. Thesis entitled "Kinetics and Thermodynamic Study of a Tranquillizer namely Chlorpromazine HCl", Department of Chemistry, University of Karachi (2002).
- * External Examiner for Pharm-D Courses in Jinnah Medical & Dental College, Karachi (2005-todate).

- * External Examiner for Pharm-D Courses in Federal Urdu University & Technology, Karachi (2006-todate).
- * External Examiner for Pharmacy Courses in University of Malakand, Peshawar (2006-todate).
- * Member Board of Studies, Department of Pharmaceutics, Faculty of Pharmacy, University of Karachi (1996-todate).
- * Member Board of Faculty of Pharmacy, University of Karachi (1996-todate)
- * Member Board of Studies, Department of Pharmaceutics and also Member Boar of Faculty of Pharmacy, University of Sindh, Jamshoro (2006-todate).
- * Member Board of Studies, Department of Pharmaceutics, Federal Urdu University, Karachi.
- * Member of selection committee Department of Pharmaceutics (2004-2005)
- * Member Interview Board for M. Phil/Ph.D. research students (2004 onwards).
- * Member IBA testing services in the Medical Colleges Examination.

Teaching Experience Pharm-D and M-Pharm M.Phil Courses in Department of Pharmaceutics (1981-Todate)

1. Fundamental of Pharmacy
2. Formulation and Cosmetology
3. Pharmaceutical Microbiology
4. Physical Pharmacy
5. Prescription Pharmacy, Pharmaceutical dispensing
6. Physical studies on surface active agent.
7. Radio Pharmaceuticals
8. Quality Assurance and control.
9. Rheology of Pharmaceutical
10. Pharmaceutical Preparation
11. Pharmaceutical Dosage Form

Professional Membership:

1. Life Member Pharmacological Society of Pakistan.
2. Pakistan Pharmacists Association Registered under the Societies Registration Act 1960, Pharmacy Act 1967 (amended) in 1973.

Administrative Responsibilities:

1. Chairperson, Department of Pharmaceutics, Faculty of Pharmacy, University of Karachi (2006-todate)
2. Member Selection Board, Selecting Co-operative Teachers in the Faculty of Pharmacy (2004-2005)
3. Member Interview Board for M.Phil/Ph.D research students (2004-onwards)
4. Member of IBA testing services in the Medical Colleges examination.
5. To conduct the admission work for B.Pharm and M.Pharm classes in the Faculty of Pharmacy.
6. Tabulation work of B.Pharm in the Semester Cell.
7. Tabulation work of B.A Examination.
8. Duties assigned to invigilate B.A and B.Com. Examinations.

9. Assistant Magazine Advisor "Pharmacia" published by student of Faculty of Pharmacy, University of Karachi.
10. Member Organizing Committee 12th & 14th International Pharmacy Conference & Exhibition's 2004 & 2006.

Member Drug Court, Sindh, Ministry of Law and Justice and Ministry of Health, Islamabad (1999-todate)

Paper presented in Conferences and Seminars

- 14th International Pharmacy Conference and Exhibition held in Karachi in April 5-7, 2007.
- 3rd National Conference on Pharmaceutical Sciences, Baragali Summer Campus (Peshawar) July 8-12 (2003).
- International Pharmaceutical Conference and Exhibitions organized by Pakistan Pharmacist Association held in Lahore, March 20-23 (2003).
- International Pharmaceutical Congress and Exhibitions 1998 silver Jubilee year of PPA, organized by Pakistan Pharmacist Association held in Lahore, March 20-23 (1998).
- Second International Conference on Pharmaceutical Sciences held in Karachi (1997) organized by Faculty of Pharmacy, University of Karachi.
- First International Conference on Pharmaceutical Sciences organized by Faculty of Pharmacy, University of Karachi (1991).
- Seminar on Herbs, medicine and Therapeutics under the Auspices of Pakistan Society of Pharmacognosy and Department of Pharmacognosy, Faculty of Pharmacy, University of Karachi (1997).
- Attended Several National Science Conferences organized by Pakistan Scientific Society of Pakistan year 1980-1987.

Research Guidance:

S. No.	Name of Student	Topic Degree	Awarded	Year
1.	Miss. Lubna Ghazal	Study on the formulation factors affecting disintegration and dissolution of Tizanidine HCl Tablets.	M.Phil	2003
2.	Mr. Saeed Siddiqui	Study on Text-Parameters Affecting Dissolution Rate of Ibuprofen.	M.Phil	2004
3.	Mr. Mohiuddin Ansari	Effect on dissolution rate by changing quality parameters of Metronidazole Tablets.	M.Phil	2006
4.	Mr. Abdul Hafeez	Studies on the sustained release Dosage Form of Ketoprofen.	M.Phil	Thesis completed
5.	Mr. Saif-ur-Rehman	The effect of accelerated	M.Pharm	2003

		conditions on the quality parameters of different brands of Cefotaxime sodium		
6.	Mr. Najam-us-Saqib	Quality comparison of raw material of a drug imported from different sources.	M.Pharm	2003
7.	Mr. Tajamul Hussain	Effect of disintegrating agent on tablets (Mefenamic Acid).	M.Pharm	2004
8.	Mr. Iqbaluddin	Effect of binders on the dissolution rate of Cetirizine Tablets.	M.Pharm	2004
9.	Mr. Riaz Awan	Evaluation of Microbial Contamination of Raw Materials used in Pharmaceuticals.	M.Pharm	2005
10.	Syed Imran Ali	Comparative study on dissolution of different formulations of Mefenamic acid tablets.	M.Pharm	2005
11.	Mr. Jahangir Khan	Pharmaceutical Analysis of different brands of diclofenic sodium Sr. tablets available in the local Market.	M.Pharm	2006
12.	Syed Muhammad Rizwan	Quality compression of pellets use in different Pharmaceutical Industry in Pakistan collected from different suppliers of India.	M.Pharm	2007
13.	Mr. Haq Nawaz Khan	Comparative Study of Different Brands of Cetirizine Hydrochloride Tablet	M.Pharm	2006
14.	Ms. Fakhshena Anjum	Studies on Release of Dexamethazone from Different Ointment Bases		2008

More than 10 students are also enrolled for M.Pharm, M.Phil/Ph.D. Programmes.
