

# CURRICULUM VITAE

**MANSOOR AHMAD, D. Sc.**

**Laureate of Presidential Award-2000 (*Izaz-i-Fazeelat*)**

***Meritorious Professor of Pharmacognosy***

*Research Institute of Pharmaceutical Sciences,*

*Department of Pharmacognosy,*

*Faculty of Pharmacy, University of Karachi,*

**Karachi-75270, PAKISTAN**

Tel.: Res.: (009221) 9238586; Office: (009221) 9261300 – 7 (lines) Ext. 2322; Fax: (009221) 9261340;  
E-mail: [herbalist53@yahoo.com](mailto:herbalist53@yahoo.com); Web Site: <http://www.members.tripod.com/alt-med-ahmad>

## MANSOOR AHMAD

Research Institute of Pharmaceutical Sciences,  
Department of Pharmacognosy, Faculty of Pharmacy,  
University of Karachi, Karachi-75270, **PAKISTAN**

### PROFESSIONAL EXPERIENCE

- |                                                                                                                                     |                    |
|-------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>. Meritorious Professor (Grade 22)</b><br><i>Department of Pharmacognosy,<br/>Faculty of Pharmacy,<br/>University of Karachi</i> | <b>2008 - date</b> |
| <b>. Meritorious Professor (Grade 21)</b><br><i>Department of Pharmacognosy,<br/>Faculty of Pharmacy,<br/>University of Karachi</i> | <b>2006 - 2008</b> |
| <b>. Professor</b><br><i>Department of Pharmacognosy,<br/>Faculty of Pharmacy,<br/>University of Karachi</i>                        | <b>1997 - 2006</b> |
| <b>. Associate Professor</b><br><i>Department of Pharmacognosy,<br/>Faculty of Pharmacy,<br/>University of Karachi</i>              | <b>1990-1997</b>   |
| <b>. Assistant Professor</b><br><i>Department of Pharmacognosy,<br/>Faculty of Pharmacy,<br/>University of Karachi</i>              | <b>1986-1990</b>   |
| <b>. Lecturer</b><br><i>Department of Pharmacognosy,<br/>Faculty of Pharmacy,<br/>University of Karachi</i>                         | <b>1975-1986</b>   |

### FOREIGN EXPERIENCE

- |                                                                                                                                                                              |                   |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| <b>. Visiting Professor,</b><br><i>Department of Pharmacognosy &amp;<br/>Environmental Health Sciences,<br/>College of Pharmacy,<br/>The University of Rhode Island, USA</i> | <b>1992-1993</b>  |
| <b>. Visiting Professor</b><br><i>College of Pharmacy<br/>Philadelphia University<br/>Amman, Jordan</i>                                                                      | <b>1994- 1996</b> |

## **RESPONSIBILITIES**

### **ADMINISTRATIVE EXPERIENCE**

- . **Registrar** **October 15, 2012 -date**  
University of Karachi
- . **Secretary Affiliation Committee** **July 8, 2010 - date**  
University of Karachi
- . **Director** (Acting) **March 10, 2008 –July 7, 2010**  
BCC&T Press  
University of Karachi
- . **Dean** (Acting) **Dec. 15, 2006 - Jan. 24, 2007**  
Faculty of Pharmacy  
University of Karachi
- . **Chairman** **1977-79, 1990-92, 1994** (as care taker), **1996-99 and 2005- 2006**  
*Department of Pharmacognosy,*  
*Faculty of Pharmacy,*  
*University of Karachi*
- . **Chairman** **April 15, 2007 – April 17, 2012**  
Equivalence Committee  
University of Karachi

### **ACADEMIC ACTIVITIES**

- Clinical Pharmacy & Therapeutics and Pharmacology (undergraduate students)
- Pharmaceutics (undergraduate students)
- Phytochemistry & Pharmacognosy Lab. work (undergraduate students).
- Advance Analytical Techniques in Phytochemistry and Pharmacognosy (Graduate and postgraduate students)
- Instrumental Analysis (HPLC, DCCC, OPLC, Flash Chromatography, IR, UV etc., undergraduate, graduate and postgraduate students)
- Spectroscopy (UV, IR, Mass and NMR undergraduate, graduate and postgraduate students)
- Biosynthesis of Natural Products, Ethnopharmacognosy Marine Natural Products Chemistry, Fungal Metabolite, Chemotaxonomy etc. (undergraduate and graduate students)

### **RESEARCH ACTIVITIES**

- The following activities were performed during the last **38** years:
  - o Taught close to **6000** students of Pharmacy.
  - o Supervised **48** students of M. Pharm., M. Phil. and Ph.D.
  - o Published **144** articles (research oriented) and written **seven** books on herbal medicine.
  - o Acted as Examiner/Viva voce/Evaluator for M. Pharm./M. Phil./Ph. D. theses.
- Scientific communications
  - o Referee for international journals (*Phytomedicine, USA; Pakistan Journal of Pharmaceutical Sciences, Pakistan Journal of Chemical Society*).

- o Member of editorial board in *Pakistan Journal of Pharmaceutical Sciences*
- o Editor-in-Chief of *International Chemical, Pharmaceutical and Medical Journal*.
- o Member of editorial board in *Karachi University Journal of Sciences*.

## EDUCATION

|                                                                                                                    |                        |
|--------------------------------------------------------------------------------------------------------------------|------------------------|
| . <b>Post-Doctorate Fellowship</b><br>College of Pharmacy,<br>University of Rhode Island, USA                      | <b>1992-1993</b>       |
| . <b>Post-Doctorate</b><br>Institut für Pharmazeutische Biologie,<br>Albert-Ludwigs Universität, Freiburg, Germany | <b>1989 &amp; 1994</b> |
| . <b>D. Sc.</b><br>Department of Pharmacy<br>ETH-Zurich, Switzerland                                               | <b>1980-1985</b>       |
| . <b>M. Sc.</b><br>University of Karachi                                                                           | <b>1972-1974</b>       |

| . <b>M.D.</b> (Medicina Alternativa)<br>Karachi                                                                    | <b>1998</b>            |
| . <b>Diploma</b> in Hospital Administration & Management<br>Karachi                                                | <b>1997</b>            |
| . <b>Diploma</b> in Physiotherapy<br>Karachi                                                                       | <b>1996</b>            |
| . <b>D.H.M.S.</b> (Homoeopathy)<br>Karachi                                                                         | <b>1987</b>            |

## OTHER EXPERIENCE

- A complete knowledge on herbs and herbal system in Ayurvedic, Greco-Arab System of Medicine and the plants used in Homoeopathic and Western Medicine
- Basic Computer Programming

## AWARDS & SCHOLARSHIPS

1. The Presidential Award of 2000, "**IZAZ-I-FAZEELAT**", was awarded by the Government of Pakistan on 14<sup>th</sup> August **2000**, in recognition of scientific research work on the development of herbal medicine, medicinal plants and services for Humanity.
2. A **Gold Medal** in **1999** was awarded by Pakistan Society of Pharmacognosy, in recognition of scientific research work on medicine, medicinal plants and services to humanity.
3. **Major Zia-ur-Rehman (Shaheed) Memorial Medal** was awarded for Excellence in recognition of scientific research work in medicine and medicinal plants, **1998**.
4. **American Bibliographical Society** included my name in the International Directory of Distinguished Leadership of **1997** for leadership qualities and excellent services in the field of pharmacy and medicine.

5. **Pakistan Pharmacists Association (PPA, Sindh)** awarded a medal of **Excellence** in recognition of dedication, care, guidance and professionalism in teaching and research in the field of pharmacy **1997**.
6. A **Gold Medal** of Outstanding Researcher was awarded by Al-Mufakkir Forum (Thinker Forum) Karachi in recognition of scientific research work on medicine and medicinal plants, **1994**.
7. A **Medal** of Outstanding Research was awarded by the PSF in recognition of scientific research work on medicine and medicinal plants, **1994**.
8. **German** Government Scholarship (DAAD) **1st May 1994-31 July 1994**. The research work was carried out under the supervision of Prof. Dr. Horst Rimpler, Institut **Pharmazeutische** Biologie, Albert-Ludwigs Universitat, Freiburg, in the field of Medicinal Plants (Chemical and Biological Studies).
9. **German** Government Scholarship (DAAD) **1989**, Post Doctoral research work was carried out under the supervision of Prof. Dr. Horst Rimpler, Institut für **Pharmazeutische** Biologie, Albert-Ludwigs Universitat, Freiburg, in the field of Medicinal Plants (Chemical and Biological Studies).
10. **Swiss** Government Scholarship, **1980-85**. Doctoral research was carried out under the supervision of Prof. Dr. Otto Sticher, Department of Pharmacy, ETH-Zurich, in the field of Natural Products Chemistry and Pharmacognosy.

## **PUBLICATIONS**

List of 135 international publications, 8 published books may be provided upon request and 10 general articles of public health interest.

## ACHIVEMENTS OF PROFESSOR DR. MANSOOR AHMAD

### Administrative Experiences

He served the Department of Pharmacognosy, Pharmacy, and University of Karachi, as *Chairman* from **1977-79, 1990-92, 1994** (Care Taker), **1996-99, 2005-2006** and *Dean* (Acting) Pharmacy 15 Dec. 2006 to 24 Jan. 2007, *Chairman*, Equivalence Committee, University of Karachi, from **April 15, 2007 – date**. *Secretary Affiliation Committee* **July 8, 2010 – date**; *Director BCC&T Press* **March 10, 2008 –July 7, 2010**, *Director* (Acting), Confucius Institute at University of Karachi, **03-12-2012 till presence**.

1. As chairman (1990-91) of the department prepared maps and documents for Research Institute of Pharmaceutical Sciences (RIPS).
2. Developed and constructed the building of RIPS as major active member in 1998.
3. Developed the labs of Pharmacognosy with latest equipments 1999.
4. Brought donations for M. Phil./Ph. D. research labs;
  - Glassware of worth Rs.1500,000/=
  - Gas Chromatograph of worth Rs.10,00,000/=
  - Methanol Analytical Grade of worth Rs.200000/=
5. Prepared PC-1 for purchasing of equipments and government has approved it and sanctioned Rs.10300000/= for four department of Pharmacy in 1999.
6. Prepared PC-1 for Department of Pharmacognosy in mega project of university. Mega Project was approved and sanctioned an amount (Rs26000000/=) for Pharmacy, for the purchase of books, laboratory equipments, construction of separate building of Pharmacognosy, scholarships for faculty development in 2005.
7. Developed a liaison between pharmacy and pharma industry and in result of it industries asked for solving their problems. Got many project on it.
8. Services to pharma industry prepared documents for herbal drugs of export quality for herbal pharma industries, and university earned Rs.300000/= (2004-2005)

### Professional and Research Activities

1. In 1998-99 designed, prepared and formulated Six most important herbal medicines for *Arthritis, Ulcer, Reproductive disorders, Fever & Cough (Respiratory infections) and Digestion*, which is his an outstanding achievement towards professionalism and a work for humanity.
2. Presidential Award 2000 (*Izaz-e-Fazeelat*) was received in August 2000 and Karachi University Teachers Society (KUTS) awarded Nishan-e-Azmat-e-Danish in October 2000.
3. Patentized the herbal drug.
4. He is Editor-in-Chief of International Chemical, Pharmaceutical & Medical Journal which is serving as a linkage among chemists, biologists, pharmaceutical industries, doctors/physicians.
5. Productive Scientist of the Pakistan ranking book published by PCST (Ministry of Science and Technology) in 2004. His rank in the country is 125 and on the Top of Pharmacognosy (Pharmacy).
6. Recently selected as Meritorious Professor through Board and appointed by the Governor of Sindh in BPS **Grade-22** (May 2008).
7. He is a Selected Research Supervisor of HEC for Ph. Ds.
8. Published 7 books on pharmacy and medical.
9. Memberships to Scientific Societies:
  - a) Scientific Society of Pakistan
  - b) Chemical Society of Pakistan

- |                                                              |                                       |
|--------------------------------------------------------------|---------------------------------------|
| c) Pakistan Pharmacological Society                          | d) Pakistan Society of Biochemists    |
| e) Pakistan Botanical Society                                | f) Pakistan Society of Pharmacognosy  |
| g) American Chemical Society, (USA)                          | h) New York Academy of Sciences (USA) |
| i) Board of Advance Studies Research (UOK)                   | j) Board of Studies (Fed. Urdu Univ.) |
| k) Board of Studies (Hamdard Univ.)                          | l) Board of Studies (Peshawar Univ.)  |
| m) Board of Studies (Gomal Univ.)                            |                                       |
| n) Board of Advance Studies Research (Dow Univ. Health Sci.) |                                       |
| o) Board of Studies (Malakand Univ.)                         |                                       |

### Presentation of a New Theory

1. His 1995 & 1996 research publications deal with the drugs having *cardiac pharmacological* activities. In these publications, he proposed a theory on Cardiac Drugs Design in *Phytotherapy Research Journal*, U. K. (September vol. 9) 1995 and 1996, which might change the trend of *drug designing and preparations*. His previous publications (1990-93) on *synthetic & semi synthetic* drugs for cardiac problem especially *Anti-Cholesterol* and *Anti-Lipid agents*, are of high significance.

### Services for Life Saving Profession (Medical/Medicine)

1. Nowadays he is organizing the research and research facilities in the field of *Phyto-medicine/Phytochemistry & Pharmacognosy/Herbal Medicines, Biology*, at newly established *Research Institute of Pharmaceutical Sciences*, Faculty of Pharmacy, University of Karachi.
2. In 1997, 1999, 2004 & 2010 he organized National Science Conference on Herbs, Medicines & Therapeutics and published the proceedings of First Science Conference organized in March 1997.
3. Till date **50** students obtained their degree of *M. Pharm./M. Phil. degree/Ph. D.*
4. Represented the Department of Pharmacognosy in ***Pak Pharma Expo 2006, 2007 & 2011*** and displayed the achievements and services of the department to common people and Pharma industries from 7-9 June 2011.
5. Government of Pakistan awarded Productive Research Award in **2011** and **2012** via Pakistan Council for Science & Technology.

### INTERNATIONAL PATENTS SOLO

- 1) Patent No. **1549/2006** dated 23-11-2006  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Novel product as therapeutic agent against gastrointestinal ulcer***"
- 2) Patent No. **586/2007** dated 23-05-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Novel product as therapeutic agent against hypertension***".
- 3) Patent No. **971/2007** dated 15-08-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***A novel hepatoprotective compound from Buddleja davidii***".
- 4) Patent No. **972/2007** dated 15-08-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***An antimicrobial and antileishmanial compound Solanum nigrum***".

- 5) Patent No. **1171/2007** dated 10-10-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Novel herbal cream as therapeutic agent for aging***".
- 6) Patent No. **1172/2007** dated 10-10-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Novel hair growth promoting oil***".
- 7) Patent No. **1497/2007** dated 18-12-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Herbal remedy against sexual dysfunction***".
- 8) Patent No. **1498/2007** dated 18-12-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Herbal remedy against gastritis***".
- 9) Patent No. **1499/2007** dated 18-12-2007  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Herbal remedy against hepatitis***".
- 10) Patent No. **1432/2008** dated  
Registered by **Dr. Mansoor Ahmad**, University of Karachi  
Title: "***Sexual lubricants containing sodium as an antiviral agent***".

## HONOURS

1. Appointed as Member of National Council for Tibb, Federal Ministry of Health, Government of Pakistan. 1999 **Pakistan**
2. Appointed as Member of Editorial Board of *Journal of Pakistan Pharmaceutical Sciences*. 1996 **Pakistan**
3. Member and Subject Expert, Board of Studies, HMI Research Institute of Pharmacology and Faculty of Pharmacy, Hamdard University, Karachi. 1997 **Pakistan**
4. Elected, Founder President and Life Member of *Pakistan Society of Pharmacognosy*, 1996-till present **Pakistan**
5. Member, *New York Academy of Sciences*. 1995 **USA**
6. Member, *American Chemical Society*, 1992 **USA**
7. Member, *Pakistan Society of Biochemists*, 1991 **Pakistan**
8. Member, *The Chemical Society of Pakistan*, 1990 **Pakistan**
9. Life Member, *Pakistan Pharmacological Society*, 1985 **Pakistan**
10. Member, *Scientific Society of Pakistan*, 1975 **Pakistan**
11. Member, *Pakistan Botanical Society*, 1975 **Pakistan**
12. Member, Board of Studies, Department of Pharmacognosy, Faculty of Pharmacy, University of Karachi, Karachi, 1975 **Pakistan**
13. Member, Board of Faculty, Faculty of Pharmacy, University of Karachi, Karachi, 1975 **Pakistan**
14. Member, Academic Council, University of Karachi, Karachi, 1975 **Pakistan**
15. Member, Senate, University of Karachi, 1975 **Pakistan**
16. Elected Member of Board of Advance Studies Research (BASR), University of Karachi, Karachi, 2001 **Pakistan**
17. Member of Board of Governor, Jinnah Medical & Dental College, Karachi, 2001 **Pakistan**
18. Patron & Course Observer of National Institute of Ultrasound in Medicine, Karachi, affiliated with Ultrasound Society of USA. 2001 **Pakistan**
19. Member of the Board of Governor, Dr. Nadir Research Institute of Cancer, First ever Cancer Research Institute of Homoeopathy in the World and Pakistan. 2002 **Pakistan**
20. Recognized Official **Research Supervisor** of Higher Education Commission (HEC), Government of Pakistan, for Ph.D. students. 2003 **Pakistan**

|     |                                                                                                                                      |      |                 |

|    |                                                                                                                                                                   |      |                 |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|-----------------|
| 1. | Presented a research article on <i>Syringa vulgaris</i> , Planta Medica                                                                                           | 1982 | <b>Austria</b>  |
| 2. | Participated in the Conferences of Planta Medica                                                                                                                  | 1983 | <b>Germany</b>  |
| 3. | Participated in the Conferences of Planta Medica                                                                                                                  | 1984 | <b>Belgium</b>  |
| 4. | Participated in International Conference of Natural Products Chemistry, Organized by HEJ Research Institute of Chemistry, University of Karachi,                  | 1986 | <b>Pakistan</b> |
| 5. | Participated in International Conference of Natural Products Chemistry, Organized by HEJ Research Institute of Chemistry, University of Karachi,                  | 1987 | <b>Pakistan</b> |
| 6. | Participated in International Conference of Natural Products Chemistry, Organized by HEJ Research Institute of Chemistry, University of Karachi,                  | 1989 | <b>Pakistan</b> |
| 7. | Second National Conference of Chemistry, presented two research papers on <i>Ruellia brittoniana</i> and <i>Caralluma edulis</i> ,                                | 1990 | <b>Pakistan</b> |
| 8. | First National Conference of Biochemists, presented a research article on possible biosynthetic pathway of pregnan glycosides from <i>Caralluma tuberculata</i> , | 1990 | <b>Pakistan</b> |

- |     |                                                                                                                                                                                                                                                                                  |      |                  |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|------------------|
| 9.  | Third National Conference of Chemistry, presented two research papers on <i>Syringa vulgaris</i> ,                                                                                                                                                                               | 1991 | <b>Pakistan</b>  |
| 10. | First International Conference of Pharmaceutical Sciences, presented two research papers on <i>Buddleja davidii</i> and <i>Valeriana jatamansi</i> ,                                                                                                                             | 1992 | <b>Pakistan</b>  |
| 11. | Participated in International Conference of Natural Products Chemistry, Organized by HEJ Research Institute of Chemistry, University of Karachi,                                                                                                                                 | 1992 | <b>Pakistan</b>  |
| 12. | Participated in Pharmacy Conference organized by NERMCA                                                                                                                                                                                                                          | 1993 | <b>U.S.A.</b>    |
| 13. | Participated in International Conference of Natural Products Chemistry, Organized by HEJ Research Institute of Chemistry, University of Karachi,                                                                                                                                 | 1994 | <b>Pakistan</b>  |
| 14. | Participated in a combined Conference of Planta Medica, American Pharmacognosy Society, French & Canadian Pharmacognosy Societies held on August, 1994 at Helifax,                                                                                                               | 1994 | <b>Canada</b>    |
| 15. | First National Conference on Pharmacology & Therapeutics, presented two research paper on Antidopaminic activity of iridoid glycosides,                                                                                                                                          | 1995 | <b>Pakistan</b>  |
| 16. | First National Conference of Pharmacy, Philadelphia University, presented a research paper on Cardiac activity of <i>Phyla nodiflora</i> and arranged the exhibition of medicinal plants used in Jordanian Traditional Cure System,                                              | 1995 | <b>Jordan</b>    |
| 17. | Second National Conference on Pharmacology & Therapeutics, presented two research paper on AIDS problem and psychotropic drugs.                                                                                                                                                  | 1996 | <b>Pakistan.</b> |
| 18. | <b>Organized First National Conference</b> on “Herb, Medicines and Therapeutics” as President of Pakistan Society of Pharmacognosy and Chairman of the Department of Pharmacognosy, <b>29 March 1997</b> , Karachi,                                                              | 1997 | <b>Pakistan</b>  |
| 19. | <b>Organized a Seminar</b> on "Awareness, Diabetic Problems and their Solution" as Chairman of the Department of Pharmacognosy, Faculty of Pharmacy, University of Karachi, <b>7 Nov., 1997</b> , Karachi                                                                        | 1997 | <b>Pakistan</b>  |
| 20. | Presented a paper in National Conference on "Medicinal Plants of Pakistan", organized by Plant Genetic Resources Institute and National Agriculture Research Center, <b>Dec. 2-4, 1998</b> , Islamabad,                                                                          | 1998 | <b>Pakistan</b>  |
| 21. | <b>Organized Second National Conference</b> on” Herb, Medicines and Therapeutics” as President of Pakistan Society of Pharmacognosy, <b>27 November 1999</b> , Karachi,                                                                                                          | 1999 | <b>Pakistan</b>  |
| 22. | Participated in International Workshop on “Total Quality Management of Drugs”, (Dec. 2-4, 1999), organized by Federal Ministry of Health, Government of Pakistan, World Health Organization ( <b>WHO</b> ) and Pakistan Pharmaceutical Manufacturer Association ( <b>PPMA</b> ). | 1999 | <b>Pakistan</b>  |
| 23. | Participated in National Workshop on “National Formulary and Pharmacopoeia of Traditional Unani Medicines”, organized by                                                                                                                                                         |      |                  |

|     |                                                                                                                                                                                                                                                                                                                 |      |                 |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|-----------------|
|     | <b>Federal Ministry of Health</b> , Government of Pakistan, World Health Organization (WHO) and <b>National Council for Tibb</b> , Dec. 22-24, 1999, Karachi,                                                                                                                                                   | 1999 | <b>Pakistan</b> |
| 24. | Presented three papers in National Conference on "Role of Traditional/ Alternative Medicine in Health Care – In and Beyond 2000 AD ", organized by <b>Hamdard University</b> , Oct. 30-Nov.2 <sup>nd</sup> 2000.                                                                                                | 2000 | <b>Pakistan</b> |
| 25. | Presented a paper in National Conference of Marine Environment 2002; Food, Health and Habitat entitled, "Hepatitis B & C and our Food", organized by <b>The British Council, CEMB &amp; Scottish Association for Marine Sciences, UK</b> , 29-30 January 2002                                                   | 2002 | <b>Pakistan</b> |
| 26. | Participation in IDB-COMSTECH-INTROM-IMR Workshop on Herbal Medicine: Medicinal Plant Screening For Anti-Malaria, organized by Herbal Medicine Research Center, <b>Institute for Medical Research</b> , Kuala Lumpur, <b>Ministry of Health Malaysia</b> , 1-6 April 2002                                       | 2002 | <b>Malaysia</b> |
| 27. | Presented a paper in 1 <sup>st</sup> National Conference 2002 on Forensic Sciences/ Environmental and Applied Toxicology/Hepatitis/HIV, organized by Sindh Medical College and National Poison Control Center (WHO), JPMC, Karachi, 28-29 <sup>th</sup> May 2002.                                               | 2002 | <b>Pakistan</b> |
| 28. | Presented a papers in National Homoeopathy Conference on " <b>Perspective of Homoeopathic Drugs Beyond 2002</b> ", organized by Central Homoeopathic College Karachi, 15-16 June 2002.                                                                                                                          | 2002 | <b>Pakistan</b> |
| 29. | Presented a papers in National Homoeopathy Conference on " <b>Berberis: A Multidimensional Homoeopathic Drug</b> ", organized by Central Homoeopathic College Karachi, 15-16 June 2002.                                                                                                                         | 2002 | <b>Pakistan</b> |
| 30. | Presented a paper in Bangladesh-Pakistan Binational Seminar on natural Product Chemistry, entitled " <b>A New Antitussive Product from Piper longum fruits</b> " organized by HEJ Research Institute of Chemistry, University of Karachi, Sept. 24-26, 2002.                                                    | 2002 | <b>Pakistan</b> |
| 31. | Presented a paper in Baragali 3 <sup>rd</sup> national conference on pharmaceutical sciences, entitled " <b>Comparative study on red and black fruits and leaves of these two plants of Solanum nigrum (black nightshade)</b> " organized by Department of Pharmacy, University of Peshawar, Jul. 08-12, 2003.  | 2003 | <b>Pakistan</b> |
| 32. | Presented a paper in Baragali 3 <sup>rd</sup> national conference on pharmaceutical sciences, entitled " <b>Muscle relaxing and contracting activity of Matricaria chamomilla (babunah) on isolated intestinal preparation</b> " organized by Department of Pharmacy, University of Peshawar, Jul. 08-12, 2003. | 2003 | <b>Pakistan</b> |
| 33. | Presented a paper in Baragali 3 <sup>rd</sup> national conference on pharmaceutical sciences, entitled " <b>Spasmogenic and Spasmolytic activities in Cyperus rotundus</b> " organized by Department of Pharmacy, University of Peshawar, Jul. 08-12, 2003.                                                     | 2003 | <b>Pakistan</b> |
| 34. | Presented a paper in Baragali 3 <sup>rd</sup> national conference on pharmaceutical sciences, entitled " <b>Agglutination activities of two species of Erythrina</b> " organized by Department of Pharmacy, University of Peshawar, Jul. 08-12, 2003.                                                           | 2003 | <b>Pakistan</b> |

35. Presented a paper in Baragali 3<sup>rd</sup> national conference on pharmaceutical sciences, entitled “ **Chemical composition and biological activities of *Abroma augusta* Linn. Seed oil**” organized by Department of Pharmacy, University of Peshawar, Jul. 08-12, 2003. 2003 Pakistan
36. Presented a paper in Baragali 3<sup>rd</sup> national conference on pharmaceutical sciences, entitled “ **Quality control, an urgent need for Pakistan Phytopharmaceuticals industry**” organized by Department of Pharmacy, University of Peshawar, Jul. 08-12, 2003. 2003 Pakistan
37. Organized Third National Conference on “**Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals**” as President of Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
38. Presented a paper in 3<sup>rd</sup> national conference on Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals, entitled “**Chemical poisoning in the urban population of Karachi reported to NPCC**” organized by Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
39. Presented a paper in 3<sup>rd</sup> national conference on Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals, entitled “**Clinical Evaluation of Herbal Remedies**” organized by Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
40. Presented a paper in 3<sup>rd</sup> national conference on Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals, entitled “**Anti-microbial Properties in *Ferula foetida***” organized by Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
41. Presented a paper in 3<sup>rd</sup> national conference on Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals, entitled “**16-Hydroxyingenol diterpene ester from the latex of *Euphorbia caudicifolia***” organized by Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
42. Presented a paper in 3<sup>rd</sup> national conference on Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals, entitled “**Scientific Findings on Phytomedicine *Aegle marmalos***” organized by Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
43. Presented a paper in 3<sup>rd</sup> national conference on Pre-Clinical & Clinical Researches on Products of Biological origin in Hospitals, entitled “**Results of rapid antimicrobial sensitivity & toxicity tests of the extracts of *Swertia chirata*, *Symplocos racemosa* & *Solanum nigrum***” organized by Pakistan Society of Pharmacognosy, April 17, 2004. 2004 Pakistan
44. Presented a paper in 5<sup>th</sup> Hamdard Symposium (16-18 Dec. 2005) on Emerging Trends in Healthcare entitled “**New successes in the cure of urinary bladder cancer with drugs of natural origin**”, organized by Hamdard College of Medicine & Dentistry, Hamdar University. 2005 Pakistan
45. Presented a paper in International SAARC Congres of Cardiology (31 March-2 April 2006) entitled “**Hepatitis Related Angina**”. Hosted by Pakistan Cardiac Society, Liaquat National Hospital. 2006 Pakistan
46. Presented a paper in Medical Symposium 2007 (18-20 Feb. 2007) entitled “**Herbal drugs acting on cerebral flow**”, organized by Baqai Medical University. 2007 Pakistan

47. Presented a paper in 1<sup>st</sup> National Pharmacy Conference (2-4 Mar. 2007) on Better Quality of life through Pharmacy Profession entitled “**The importance of toxicity and test methods in herbal and synthetic drugs**”, organized by Faculty of Pharmacy and Alternative Medicine, The Islamia University of Bahawalpur.  
2007 Pakistan
48. Presented a paper in LCWU ISESCO/UNESCO Joint National Seminar (8 Mar. 2007) on Drug related Problems: Who is responsible? Entitled “**Current cases of herbal drugs toxicities**”, organized by Department of Pharmacy, Lahore College for Women University.  
2007 Pakistan
49. Presented a paper in 8<sup>th</sup> Hamdard Symposium (8-9 April 2007) on Emerging Trends in Healthcare entitled, “**Well researched herbal drugs of hepatic and GIT disorders in perspective of efficacy and toxicities**”, organized by Pakistan Association for Eastern Medicine, Faculty Of Eastern Medicine, Hamdard University.  
2007 Pakistan
50. Organized a seminar/workshop (5 May 2007) on “**Application of Real Time PCR in researches and uses as diagnostic tool in hospitals**”, at Research Institute of Pharmaceutical Sciences, Department of Pharmacognosy, Faculty of Pharmacy, University of Karachi.  
2007 Pakistan
51. Presented a paper in National Pharmacy Workshop on Current and Futuristic Vision of Pharmacy 2007 (27-31 August 2007) entitled “**Herbal drugs acting on heart and brain**”, organized by Department of Pharmacy, University of Peshawar.  
2007 Pakistan
52. Presented a paper in 6<sup>th</sup> Hamdard Symposium (14-16 December 2007) on Health Challenges in the modern era, entitled, “**Role of advance medical technologies in the cure of reproductive system in human being**”, organized by Hamdard College of Medicine and Dentistry, Hamdard University.  
2007 Pakistan
53. Presented a plenary lecture in 1<sup>st</sup> National Pharmacy Conference (8-10 June 2008) on **New remedy of hormone with old plants!** Organized by Department of Pharmacy, University of Malakan, Chakdara.  
2008 Pakistan
54. Presented a paper in 6<sup>th</sup> Hamdard Symposium (14-16 December 2007) on Health Challenges in the modern era, organized by Hamdard College of Medicine and Dentistry, Hamdard University.  
2008 Pakistan
55. Presented a plenary lecture in conference, “**Role of Medicinal Plants, Hazard and Safety**”, organized by COMSATS Institute of Information Technology, Abbottabad.  
2009 Pakistan.
56. Presented a lecture, “**Heart and Heart related problem**” at Hazara University, Hawalyian.  
2009 Pakistan
57. Organized 5<sup>th</sup> National Conference on “**Current Challenges in Medicine & Therapy**” as President of Pakistan Society of Pharmacognosy & Natural Therapy, at Pearl Continental Hotel, Karachi, 10 July 2010.  
2010 Pakistan
58. Presented a paper in 14<sup>th</sup> Symposium of Pakistan Hypertension League (14-16 January 2011) on “**Effects of thyroid dysfunction on systolic/diastolic blood pressure, pulse rate, serum creatinine and liver enzymes**”, organized by PHL, Karachi .  
2011 Pakistan

59. Presented a poster in 14<sup>th</sup> Symposium of Pakistan Hypertension League (14-16 January 2011) on “**Rauwolfia Alkaloids: An old remedy for hypertension with new approaches**”, organized by PHL Karachi. 2011 **Pakistan**
60. Presented a poster in 14<sup>th</sup> Symposium of Pakistan Hypertension League (14-16 January 2011) on “**Incidence of systemic hypertension with and without LVH in relation to the accuracy of stress myocardial perfusion imaging**”, organized by PHL Karachi. 2011 **Pakistan**
61. Presented a paper in 5<sup>th</sup> International Congress of Chemistry and Environment (27-29 May 2011) on “**Phytochemical and Pharmacological studies of methanolic extract of *Cuscuta.reflexa* Roxb**”, organized by Research Journal of Chemistry and Environment, India. 2011 **Malaysia**
62. Presented a paper in 5<sup>th</sup> Saudi Science Conference (16- 18 April 2012) on “Spasmolytic effects of *Scrophularia nodosa* extract on isolated rabbit intestine”, organized by College of Applied Sciences, Umm Al-Qura University, Makka, Saudi Arabia. 2012 **Saudi Arabia**

#### INVITED TALKS

- ***Chemical Constituents from the Cardioactive Plant *Phyla nodiflora****, College of Pharmacy, University of Rhode Island, **U.S.A., 1993**
- ***Medicinal Plants of Pakistan***, Department of Applied Chemistry and Biology, Shizuoka University, **Japan, 1993**
- ***Medicine Systems of Pakistan and Use of Medicinal Plants in Folk Medicine***, Tsumura Pharmaceuticals, Tokyo, **Japan, 1993**
- ***A New Antitussive Product from *Piper longum* fruits***, HEJ Research Institute of Chemistry, University of Karachi, **Pakistan, 2002**
- ***Clinical Evaluation of Herbal Remedies***, Department of Pharmacy, University of Peshawar, **Pakistan, 2003**
- ***Goiter: A disease curable in homoeopathic system of medicine!*** Young Homeopath Doctors Association, **Pakistan, 2004**
- ***Sinusitis in Pakistani Population and its treatment in Homoeopathy***, Lehning Laboratory, **France, 2005**
- ***Women Health Problem in Pakistan***, Young Homeopath Doctors Association, **Pakistan, 2006**
- ***Hepatitis***, Deliver a Lecturer at Nawabshah Homoeopathic Medical College, **Pakistan, 2006**
- ***Vertebral Disorders***, Delivered a Seminar, Young Homeopath Doctors Association, **Pakistan, 2007**
- ***Endocrine system and Homoeopathy***, Delivered a Seminar, Young Homeopath Doctors Association, **Pakistan, 2008**
- ***Rhinitis in Pakistani Population and its treatment in Homoeopathy***, Delivered a Seminar, Young Homeopath Doctors Association, **Pakistan, 2009.**

- **Cardiac Function and Cardiac related diseases.** Delivered a Seminar, Young Homeopath Doctors Association, **Pakistan, 2010.**
- **Vitamins.** Delivered a Seminar, Young Homeopath Doctors Association, **Pakistan, 2011.**
- **Epilepsy.** Delivered a Seminar, Young Homeopath Doctors Association, **Pakistan, 2012.**

#### STUDENTS WHO COMPLETED M. Pharm., M. Phil. and Ph. D.

| Name                     | Year | Topic                                                                                                                                                                                                                                                                | Degree           |
|--------------------------|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| 1. M. Nasir Khan Masoodi | 1990 | Pharmacognostical Studies on <i>Samanea saman</i> and <i>Durenta repens</i> ,                                                                                                                                                                                        | <b>M. Pharm.</b> |
| 2. Muhammad Aslam        | 1991 | Phytochemical, Microbiological and Trace Elements Studies on <i>Dictyopteris australis</i> .                                                                                                                                                                         | <b>M. Pharm.</b> |
| 3. Munir Anwer           | 1991 | Phytochemical and Pharmacological Investigations on <i>Colpomenia sinuosa</i> and <i>Enicostema littorale</i> .                                                                                                                                                      | <b>M. Pharm.</b> |
| 4. Nazra Nasreen         | 1992 | Iridoid Constituents of Pharmacological Activity of <i>Syringa reticulata</i> ,                                                                                                                                                                                      | <b>M. Pharm.</b> |
| 5. M. Shoaib Patal       | 1992 | Phytopharmaceutical Studies on Medicinal Herb <i>Bouchia marrubifolia</i> .                                                                                                                                                                                          | <b>M. Pharm.</b> |
| 6. M. Farid Akhtar       | 1994 | Chemical Constituents and Cardiovascular Evaluation of <i>Phyla nodiflora</i> , <i>Ruellia patula</i> and <i>Ruellia brittoniana</i> .                                                                                                                               | <b>Ph.D.</b>     |
| 7. Nudrat Adil           | 2001 | Phytopharmaceutical Studies on <i>Acacia catechu</i> , <i>Acalypha indica</i> , <i>Adhatoda vasica</i> , <i>Albizia lebbeck</i> , <i>Andrographis paniculata</i> , <i>Argemone maxicana</i> , used in the preparation of herbal medicines available in local market, | <b>M. Phil.</b>  |
| 8. Azhar Sajjad          | 2001 | The Pharmacognostical Studies on medicinal plants: <i>Tinospora cordifolia</i> , <i>Hedysarum alhagi</i> , <i>Achyranthus aspera</i> , <i>Andropogon muricatus</i> , <i>Aristolochia indica</i> and <i>Alhagi maurorum</i> used in Traditional System of Medicine.   | <b>M. Phil.</b>  |
| 9. M. Rehan Khan         | 2001 | Pharmacognosy and Pharmacology of Some Herbal Drugs available in Local market.                                                                                                                                                                                       | <b>M. Phil.</b>  |
| 10. Faheem A. Siddiqui   | 2002 | Chemical Investigation and Biological Studies on Medicinal Plants <i>Annona squamosa</i> and <i>Berberis baluchistanica</i> .                                                                                                                                        | <b>M. Phil.</b>  |
| 11. Aftab Turabi         | 2004 | The study of poisoning cases in and around Karachi city, their evaluation, management and medico-legal problems                                                                                                                                                      | <b>Ph. D.</b>    |

|                            |      |                                                                                                                                                                                                                                |                  |
|----------------------------|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| 12. Zahid Khan             | 2005 | Pharmacognostic aspects of <i>Erythrina subrosa</i> var. <i>glabrescens</i> and <i>E. variegata</i> var. <i>orientalis</i> .                                                                                                   | <b>M. Phil.</b>  |
| 13. Ejaz Basheer           | 2005 | Biological and Pharmacological Studies on Acetaminophen, Ibuprofen, Mefenamicacid and Indomethacin                                                                                                                             | <b>M. Pharm.</b> |
| 14. Mahmood Sheikh         | 2005 | Comarative Study of Oral hygiene Products, Tooth Pastes and Mouth Washes                                                                                                                                                       | <b>M. Pharm.</b> |
| 15. Nadeem-ul-Hasan Mohani | 2006 | The Development of New Methods for Estimation and Evaluation of Medicinal Constituents present in Herbal Medicines available in local market.                                                                                  | <b>M. Phil.</b>  |
| 16. Farah Saeed            | 2006 | Comparative study of Drugs of arthritis used in different system of medicine.                                                                                                                                                  | <b>M. Phil.</b>  |
| 17. M. Kamran Alam         | 2006 | Studies on Clinical Aspect of <i>Holarrhena antidysentria</i> , <i>Aegle marmalosa</i> and <i>zaheeri</i> .                                                                                                                    | <b>M. Phil.</b>  |
| 18. Taous Khan             | 2006 | Phytomedicinal investigation and standardization of some indigenous medicinal plants of NWFP, <i>Trichodesma indicum</i> , <i>Paonia emodi</i> , <i>Aconitum leavae</i> and <i>Sauromatum gattatum</i> .                       | <b>Ph. D.</b>    |
| 19. Noor Muhammad          | 2006 | Phytomedicinal investigation and standardization of some indigenous medicinal plants of Malakand Division, <i>Datisca cannanina</i> , <i>Gratiola officinalis</i> & <i>Scrophularia nodosa</i> .                               | <b>Ph. D.</b>    |
| 20. S M. Mushtaq Alam      | 2006 | The utilization of Chromatographic Methods in Evaluation of Chemical Constituents of Herbal Medicines available in local market.                                                                                               | <b>M. Phil.</b>  |
| 21. Asif Bin Rehman        | 2007 | Pharmacological Studies on traditional medicine, <i>Cyperus rotundus</i> , used in Pakistan.                                                                                                                                   | <b>Ph. D.</b>    |
| 22. Mohammad Ismail        | 2007 | Pharmacognostic and pharmacological investigations on <i>Geranium wallichianum</i> and <i>Potentially nepalensis</i>                                                                                                           | <b>Ph. D.</b>    |
| 23. Munir Anwer            | 2008 | The pharmacognostic and pharmacological studies on medicinal valued herbal drugs, <i>Erythrina variegata</i> var. <i>Orientalis</i> , <i>Maticaria chamomilla</i> , <i>Psoralea Corylifolia</i> and <i>Chenopodium album</i> . | <b>Ph. D.</b>    |
| 24. S. Mehboob Alam        | 2009 | Investigations on the different Malignancies curing properties of Herbal Homoeopathic Drugs, <i>Thuja occidentalis</i> , <i>Taraxacum officinale</i> , <i>Chelidonium majus</i> , <i>Cistus canadensis</i> etc.                | <b>Ph. D.</b>    |
| 25. Nudrat Fatima          | 2009 | Detection of anti-ulcerogenic activity in <i>Coriandrum sativum</i> , <i>Glycyrrhiza glabra</i> along with other anti-ulcer drugs available in local market.                                                                   | <b>Ph. D.</b>    |
| 26. Shazia Syed            | 2010 | Phytochemical Studies on Medicinal Plants, <i>Portulacca oleracea</i> and <i>Myrica nagi</i>                                                                                                                                   | <b>Ph. D.</b>    |

|                      |      |                                                                                                                                                             |                  |
|----------------------|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| 27. Zahid Khan       | 2011 | Standardization of Some Medicinal Plants of Local Market by different Analytical methods.                                                                   | <b>Ph. D.</b>    |
| 28. Nudrat Adil      | 2011 | Stability Studies of Haemaccel with other Plasma substitutes/Plasma expander                                                                                | <b>Ph. D.</b>    |
| 29. Shafi Muhammad   | 2010 | Investigation on Dermatitis activity of some medicinal plants of quetta (Balochistan) region.                                                               | <b>M. Phil.</b>  |
| 30. Saleem Ahmad     | 2008 | Phytopharmacological evaluation of crude extract of <i>Portulaca oleracea</i>                                                                               | <b>M. Pharm.</b> |
| 31. Asma Wazir       | 2008 | Determination of LD 50 and ED50 by dose response relationship and assessment of toxicological and non toxicological behaviour of <i>Ipomea hederacea</i>    | <b>M. Pharm.</b> |
| 32. Shahnaila Batool | 2008 | Investigations on phytopharmacological potential of a standardized crude extract from <i>Kaemferia galanga</i>                                              | <b>M. Pharm.</b> |
| 33. Gulpari          | 2008 | Pharmacological evaluation of <i>Ephedera sinica</i> in experimental model                                                                                  | <b>M. Pharm</b>  |
| 34. M. Iftikhar Baig | 2008 | Pharmacognostic and pharmacological studies on medicinal herbs, <i>Withania sominfera</i> and <i>Tribulus terrestris</i>                                    | <b>M. Pharm.</b> |
| 35. Mehmood Qurashi  | 2008 | In vivo studies on <i>Lepidium meyenii</i> (MACA) and <i>Epimedium sagittatum</i> with consequences of fertility and safety profiles                        | <b>M. Pharm.</b> |
| 36. M. Ziaul Haq     | 2011 | Ethnopharmacological screening of selected flora of Pakistan                                                                                                | <b>Ph. D.</b>    |
| 37. Muhammad Shahzad | 2011 | Research Based study on growth rates, compatibility deviation from standards, problem and solution of national and multinational Pharmaceutical industries. | <b>M. Phil.</b>  |
| 38. Sadaf Sharif     | 2012 | Investigation on herbal medicine <i>dolichos biflorus</i> used. for urinary tract disorders in folk medicine                                                | <b>M. Phil.</b>  |
| 39. Hina Sharif      | 2012 | Biological and toxicological studies on seeds of <i>Butea frondosa</i>                                                                                      | <b>M. Phil.</b>  |
| 40. Hina Nizam       | 2012 | Evaluation of indigenous medicinal plants for their therapeutic efficacy in Dental problem (Plaque)                                                         | <b>Ph. D.</b>    |
| 41. Shadman Andaleeb | 2012 | Stability studies of carbocisteine in two different dosages form, tablets and capsules                                                                      | <b>M. Phil.</b>  |
| 42. Rafiq Ahmad      | 2012 | Pharmacognostic and pharmacological evaluation of <i>Lavendula stochoes</i>                                                                                 | <b>M. Pharm.</b> |
| 43. Muhammad Riaz    | 2012 | Antioxident and Antiinflammatory study of <i>Rubus fruticosus</i> and <i>Verbascum Thapsus</i> , medicinal plants collected from Dir (L) NWFP, Pakistan     | <b>Ph. D.</b>    |

|                           |      |                                                                                                                                        |               |
|---------------------------|------|----------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 44. Najmur Rahman         | 2012 | Anti-diabetic and anti-inflammatory studies of two plants <i>Acacia modesta</i> and <i>Ajuga parviflora</i> collected from Dir (NWFP). | <b>Ph. D.</b> |
| <b>Degree Expected in</b> |      |                                                                                                                                        |               |
| 45. Laeeq Ahmad           | 2012 | Study on the changes in human & animal liver tissues caused by hepatitis "C" virus and their laboratory treatment with medications.    | <b>Ph. D.</b> |
| 46. Mudassir Iqbal Dar    | 2012 | Internal mammary artery a conduit for coronary Artery bypass surgery its flow in different racial Groups of Pakistan                   | <b>Ph. D.</b> |
| 47. Erum Naz              | 2012 | Studies on the bioactive compounds from indigenous medicinal plants.                                                                   | <b>Ph. D.</b> |
| 48. Iftikhar Ahmad Baig   | 2013 |                                                                                                                                        | <b>Ph. D.</b> |

#### **PROJECTS:**

Completed a research project on toxin and anticancer drugs, funded by NIH (1992-93), at College of Pharmacy, University of Rhode Island, **USA**, under the supervision of **Prof. Dr. Y. Shimizu**

Completed **Five** Research Projects on Biological Warfare & Herbal Drugs, funded by Defense Laboratory (DESTO), Government of Pakistan and University of Karachi in 1990-92, 1987, 1996, 1997, 1998.

Completed **Five** Projects of Pharmaceutical Industry (**Pakistan, UAE, Russian States**) including standardization bioassay and preparation of documents for registration of products in Ministry of Health till 2006.

1. Two new secoiridoid glucosides from *Syringa vulgaris*. O. Sticher, **Mansoor Ahmad**, O. Salama and T. Winkler, *Planta Medica*, **45**, 151 (1982). Germany
2. Isolation of rutin from the fresh leaves of *Syringa vulgaris*, **Mansoor Ahmad** and O. Salama, *J. Pharm. Univ. Kar.*, **4** (1), 9 (1985) Pakistan
3. Naturally occurring acteoside from *Buddleja davidii*. **Mansoor Ahmad**, *J. Pharm. Univ. Kar.*, **4** (2), 65 (1986) Pakistan
4. Triterpene constituents from the whole plant, *Sarcostemma stocksii*, K. Usmanghani, Z. Bano, G.H. Rizwani and **Mansoor Ahmad**, *J. Pharm. Univ. Kar.*, **5** (1), 55 (1986). Pakistan
5. Isolation of echinacoside from the white flower of *Syringa vulgaris*. **Mansoor Ahmad**, O. Salama and O. Sticher, *J. Chem. Soc. Pak.*, **9** (3), 451 (1987). Pakistan
6. Flavonoids from the violet flowers of *Syringa vulgaris*. **Mansoor Ahmad** and O. Salama, *Pak. J. Sci. & Ind. Res.*, **32** (2), 150 (1987). Pakistan
7. New phenylethanoid glycosides from *Cistanche tubulosa* (Schrenk) Hook. f.I., H. Kobayashi, H. Oquchi (nee karasawa), N. Takizawa, T. Miyase, A. Ueno, K. Usmanghani & **Mansoor Ahmad**, *Chem. Pharm. Bull.*, **35** (8), 3309 (1987). Japan
8. Chemical investigation of medicinal herb *Caralluma tuberculata*, K. Usmanghani, G.H. Rizwani and **Mansoor Ahmad**, *J. Pharm. Univ. Kar.*, **5** (2), 133 (1987). Pakistan
9. Isolation of acacetin-7-O-rutinoside and martynoside from *Buddleja davidii*. **Mansoor Ahmad** and O. Sticher, *J. Chem. Soc. Pak.*, **10** (1), 117 (1988). Pakistan
10. Constituents of *Sarcostemma stocksii*, K. Usmanghani, Z. Bano, G.H. Rizwani, **Mansoor Ahmad** and V.U. Ahmad, *Fitoterapia*, **LX** (3), 351 (1988). Italy
11. Composition of fatty acids of Gastropod *Xancus pyrum*. K. Usmanghani, S. Siddiqui, **Mansoor Ahmad** and M.A. Kazmi, *J. Islamic Academy of Sciences*, **2**, 165 (1989). Turkey
12. Preliminary cardiovascular activity evaluation of capparisidine, a spermidine alkaloid from *Capparis decidua*. S. Rashid, F. Lodhi, **Mansoor Ahmad** and K. Usmanghani, *Pakistan J. Pharmacol.*, **6** (1&2), 61 (1989). Pakistan
13. 2-O- $\alpha$ -D-galactopyranosyl glycerol hexaacetate from *Ruellia brittoniana*, V.U. Ahmad, M.I. Choudhary, M.F. Akhtar, **Mansoor Ahmad**, G.H. Rizwani and K. Usmanghani, *J. Natural Products*, **53** (4), 960 (1990). USA
14. The constituents of *Cistanche tubulosa* Schrenk (Hook) f.II. Isolation and structure of a new phenylethanoid glycoside and a new neolignan glycoside. F. Yoshizawa, T. Deyama, N. Takizawa, K. Usmanghani & **Mansoor Ahmad**, *Chem. Pharm. Bull.*, **38** (7), 1927 (1990). Japan

15. Effect of a newly synthesized compound on various serum lipid parameters. M. Arif, Z.S. Saify, S. Rashid and **Mansoor Ahmad**, *J. Islamic Academy of Sciences*, **3**, 118 (1990). Turkey
16. Flavone glycosides of *Caralluma tuberculata* N.E. Brown. G.H. Rizwani, K.Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Pak. J. Pharm. Sci.*, **3** (2), 27 (1990). Pakistan
17. Cardiovascular effects of *Bacopa monnieri* (L.) Pennel extract in rabbits. S. Rashid, F. Lodhi, **Mansoor Ahmad** and K. Usmanghani, *Pak. J. Pharm. Sci.*, **3** (2), 57 (1990). Pakistan
18. Synthesis of some phenacyl nicotinate as potential anticholesterolemic agent. M. Arif, Z.S. Saify and **Mansoor Ahmad**, *Pak. J. Pharm. Sci.*, **3**(2), 63 (1990). Pakistan
19. Phytopharmaceutical studies on the folkloric medicinal plant *Ruellia brittoniana* found in Karachi. **Mansoor Ahmad**, K. Usmanghani, M.F. Akhtar, G.H. Rizwani and V.U. Ahmad, *Proc. Natl. Chem. Conf.*, **II**, 202 (1990). Pakistan
20. Studies on the medicinal plant *Caralluma edulis*. **Mansoor Ahmad**, G.H. Rizwani, K. Usmanghani and V.U. Ahmad, *Proc. Natl. Chem. Conf.*, **II**, 206 (1990). Pakistan
21. Phycochemical studies on *Gracilaria foliifera* (Gigartinales, Rhodophyta). A. Hayee-Memon, M. Shameel, **Mansoor Ahmad**, V.U. Ahmad and K. Usmanghani, *Bot. Mar.*, **34**(2), 107 (1991). UK
22. Phycochemical examination of *Hypnea valentiae* (Gigartinales, Rhodophyta). A. Hayee-Memon, M. Shameel, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Pak. J. Bot.*, **23** (1), 33 (1991). Pakistan
23. Brominated sesquiterpene metabolites of *Hypnea pannosa* (Gigartinales, Rhodophyta). S. Afaq-Husain, M. Shameel, K. Usmanghani, **Mansoor Ahmad**, S. Perveen and V.U. Ahmad, *J. Appl. Phycol.*, **3**(2), 111 (1991). UK
24. Phycochemical studies on *Dermonema abbotiae* (Nemaliales, Rhodophyta). S. Afaq-Husain, M. Shameel, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Bot. Mar.*, **34** (3), 215 (1991). UK
25. Phycochemical investigations on *Centroceras calvulatum*. A. Hayee-Memon, M. Shameel, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Pak. J. Pharm. Sci.*, **4**(2), 137 (1991). Pakistan
26. Phycochemical studies on *Scinaria fascicularia* A. Hayee-Memon, M. Shameel, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Pak. J. Pharm. Sci.*, **4**(1), 27-34 (1991). Pakistan
27. Possible biosynthetic pathway of pregnane glycosides and isolation of caratuberside A-G. G.H. Rizwani, K. Usmanghani, **Mansoor Ahmad**, V.U. Ahmad and S.S. Ali, *Proc. First Natl. Conf. Biochem.*, 150 (1992). Pakistan
28. Pharmacological evaluation of *Cassia roxburghii* as a cathartic agent. A. Mansoor, S. Rashid, **Mansoor Ahmad** and K. Usmanghani, *Pak. J. Pharmacol.*, **8**(1&2), 37 (1991). Pakistan

29. Effects of 2-Methoxyphenacyl nicotinium bromide on serum total cholesterol & serum transaminases. M. Arif, Z.S. Saify, A.B. Rehman, **Mansoor Ahmad** and S. Rashid, *J. Islamic Academy of Sciences*, **4**, 36 (1991). **Turkey**
30. Biridoside, A new iridoid from *Buddleja davidii*. Mansoor Ahmad, M. Alam and G.E. Martin, *Spectroscopy Letter*, **25**(3), 363 (1992). **USA**
31. Cardiovascular evaluation of *Ruellia patula* and *Ruellia brittoniana*. M.F. Akhtar, S. Rashid, **Mansoor Ahmad** and K. Usmanghani, *J. Islamic Academy of Sciences*, **5**, 67 (1992) **Turkey**
32. Valerian: A drug ignored by us. **Mansoor Ahmad**, *Hamdard Medicus*, **XXXV** (1), 80 (1992). **Pakistan**
33. Pharmacological effects of 3-methoxyphenacyl nicotinium bromide and comparison with the effects of aspirin on total serum cholesterol in male rabbits. M. Arif, Z.S. Saify, A.B. Rehman and **Mansoor Ahmad**, *J. Islamic Academy of Sciences*, **5**, 107 (1992), **Turkey**
34. Pharmacognostic evaluation of pregnanes from *Caralluma tuberculata*. G.H. Rizwani, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad. *Proc. 1st Int. Conf. Pharm. Sci.* (1992), Karachi. **Pakistan**
35. Studies on medicinal herb *Ruellia patula*. T. Miyase, A. Ueno, **Mansoor Ahmad**, M.F. Akhtar, S. Rashid and K. Usmanghani, *Int. J. Pharmacognosy*, **31**(2), 121 (1993). **USA**
36. Pregnane glycosides from *Caralluma tuberculata*. G.H. Rizwani, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Natural Products Letter*, **2**(2), 97 (1993). **USA**
37. Antiinflammatory principles from natural sources. R. Jain, **Mansoor Ahmad** and D. Limaye, *Hamdard Medicus*, **XXXVI**(3), 16 (1993). **Pakistan**
38. Caratuberside A2: A new pregnane from *Caralluma tuberculata*. G.H. Rizwani, **Mansoor Ahmad**, K. Usmanghani and V.U. Ahmad, *Spectroscopy Letters*, **26**(8), 1427 (1993). **USA**
39. Effect of some newly synthesized compounds and comparison with the clofibrate on total serum cholesterol in experimentally induced hyperchole-sterolemic rabbits. M. Arif, S.Z. Saify, A.B. Rehman and **Mansoor Ahmad**, *Pak. J. Pharmacol.*, **10**(1), 9 (1993). **Pakistan**
40. Effects of kaempferol-3-O-rutinoside on rat blood pressure. **Mansoor Ahmad**, A.H. Gilani, K. Aftab and V.U. Ahmad, *Phytotherapy Research*, **7**, 314 (1993). **UK**
41. Biological efficacy of the extracts and constituents of *Caralluma tuberculata* and *Caralluma edulis*. G.H. Rizwani, K. Usmanghani, **Mansoor Ahmad**, S. Rashid and V.U. Ahmad, *J. Fac. Pharm., Gazi* **11**(1), 43 (1994). **Turkey**
42. Neuroleptic and dopamnergic activity of *trans-p*-methoxy cinnamic acid. S. P. Ahmad, **Mansoor Ahmad**, S. Haider, T. Perveen, S.I. Ahmad and D. J. Haleem, *Proc. ISBBP Symp. Biochem. Biophys.* **1**, 131 (1994). **Pakistan**

43. Pharmacological Activity of *Lantana camara*. R. Najam, S.P. Ahmad, **Mansoor Ahmad**, S. Haider, D.J. Haleem and S.I. Ahmad, *Proc. ISBBP Symp. Biochem. Biophys.* **1**, 144 (1994). Pakistan
44. Fatty acid composition and antimicrobial activity of *Dictyopteris australis* (Phaeophyta). M. Aslam, **Mansoor Ahmad**, G.H. Rizwani, M. Anwar, V.U. Ahmad & M. Shameel, *Pak. J. Pharmacol.* **11** (2), 21 (1994). Pakistan
45. Studies on cardiac stimulant activity of some medicinal plants, S. Siddiqui, **Mansoor Ahmad**, M.F. Akhtar & S. Rashid, *Pak. J. Pharmacol.* **11**(2), 57 (1994). Pakistan
46. Effects of some psychoactive drugs on stress-induced alteration in plasma corticosterone level. S.P. Ahmed, **Mansoor Ahmad**, S.I. Ahmad, R. Najam and S.J. Khurshid *J. Pak. Med. Assoc.* **45**(6), 153 (1995). Pakistan
47. Structures of caratuberside E and F. G.H. Rizwani, K. Usmanghani, **Mansoor Ahmad** and V.U. Ahmad, *Die Pharmazie*, **50**(6), 426 (1995). Germany
48. Studies on the antibacterial and HPFC activity of a phenylpropanoid glycoside. S.P. Ahmed, **Mansoor Ahmad**, S. U. Kazmi, M. Shahid & S.I. Ahmad, *Pak. J. Pharmacol.* **12**(2), 31 (1995). Pakistan
49. Cardiovascular effects of the aqueous extract of *Moringa pterygosperma*. D.A. Limaye, A.Y. Nimbkar, **Mansoor Ahmad** & R. Jain, *Phytotherapy Research*, **8**, 37 (1995). UK
50. Hypotensive action of syringin from *Syringa vulgaris*. **Mansoor Ahmad** and K. Aftab, *Phytotherapy Research*, **9**(6), 452 (1995). UK
51. Acteoside: A new antihypertensive drug. **Mansoor Ahmad**, K. Aftab, A.H. Gilani, G.H. Rizwani and S.P. Ahmed, *Phytotherapy Research*, **9**(7), 525 (1995). UK
52. Antidopaminergic activity of an iridoid glycoside, S.P. Ahmad, **Mansoor Ahmad**, S. Haider, S.I. Ahmad & D.J. Haleem, *Pak. J. Pharmacol.*, **12**(1), 1 (1995). Pakistan
53. Pharmacological activity of *Capsicum annum*. S.P. Ahmad, **Mansoor Ahmad**, S. Haider, D.J. Haleem, J. Khursheed & S.I. Ahmad, *Proc. Nat. Bie. Conf. on Pharmacol. & Therap.*, **1**, 21 (1995). Pakistan
54. Pharmacological screening of *Carissa carandas*. R. Najum, S.P. Ahmad, **Mansoor Ahmad**, & S.I. Ahmad, *Proc. Nat. Bie. Conf. on Pharmacol. & Therap.*, **1**, 81 (1995). Pakistan
55. Evaluation of some pharmacological action of *Syzygium cumini* seed extract. S.P. Ahmad, **Mansoor Ahmad**, S.I. Ahmad, R. Najum & S.J. Khurshid. *Pak. J. Sci. Ind. Res.* **38**(11 & 12), 448 (1995). Pakistan
56. Effect of water extract of *Cardiospermum grandiflorum* Swartz on the gravid female rat uterus. G.N. Zirihi and **Mansoor Ahmad**, *Phytotherapy Research*, **10** (2), 167(1996). UK
57. *Enicostema littorale*: A new source of swertiamarin. M. Anwar, **Mansoor Ahmad**, M. Aslam and K. Aftab, *Pak. J. Pharm. Sci.*, **9**(1), 29 (1996). Pakistan

58. Studies on cardiac depressant activity of some medicinal plants. T.M. Sajid, S. Rashid, **Mansoor Ahmad** and K. Usmanghani, *Phytotherapy Research*, **10** (2), 178 (1996). UK
59. Pharmacological activity of *m*-methoxy coumaric acid. S.P. Ahmad, **Mansoor Ahmad**, S. Haider, D.J. Haleem & S.I. Ahmad, *Pak. J. Pharmacol.*, **13**(2), 41 (1996). Pakistan
60. Evaluation of *Seseli indicum* as a crude drug. S.P. Ahmed, **Mansoor Ahmad**, S.J. Khursheed, S.I. Ahmad & D.J. Haleem, *Proc. ISBBP Symp. Biochem. Biophys.* **3**, (1996). Pakistan
61. CNS potential of *Cistanche tubulosa*. S.P. Ahmad, F. Hasan, S. Farooqi, **Mansoor Ahmad**, & S.I. Ahmad, *Proc. Nat. Bie. Conf. on Pharmacol. & Therap.*, **II**, 63 (1996). Pakistan
62. Stability studies on Antacid Filmacid Fort Gel with the change pumpable grade and suspending agent. M.N. Mughal, G.H. Rizwani, Mansoor Ahmad, K. Usmanghani & A.R. Rajput. *Proc. Nat. Bie. Conf. on Pharmacol. & Therap.*, **II**, 101 (1996). Pakistan
63. Position of AIDS in Pakistan, UAE and Jordan. **Mansoor Ahmad** & L.A. R. Abu-Hijleh, *Pak. J. Pharm. Sci.*, **10**(1), 79 (1997). Pakistan
64. Neuropharmacological activity of an Ayurvedic medicine. S.P. Ahmad, **Mansoor Ahmad**, M.S.A. Zuberi & S.I. Ahmad, *Pak. J. Pharmacol.*, **14**(1), 19 (1997). Pakistan
65. Effect of *Prunus spinosa* and *Prunus amygdalus* extracts on stress induced Changes in mice. S.P. Ahmad, **Mansoor Ahmad**, G.H. Rizwani, R. Najum, S. Siddiqui, S.I. Ahmad & S.J. Khurshid *Pak. J. Pharmacol.*, **15**(1), 27 (1998). Pakistan
66. Antimicrobial studies on fractions and pure compounds of *Calophyllum inophyllum* Linn. S. Mahmud, G.H. Rizwani, **Mansoor Ahmad**, S. Ali, S. Perveen & V.U. Ahmad. *Pak. J. Pharmacol.*, **15**(2), 13 (1998). Pakistan
67. Two new isoflavones from *Erythrina subrosa* var. *glabrescences*. H. Tanaks, T. Tanaka, H. Etoh, N. Watanabe, **Mansoor Ahmad**, I. Qurashi & M.R. Khan. *Heterocycles*, **48**(12), 2661 (1998). Japan
68. Poisonous plants of medicinal use, growing around Madinat al-Hikmah, M.A. Rizvi, G.R. Sarwar & **Mansoor Ahmad**. *Hamdard*, **XLI**(2), 88 (1998). Pakistan
69. Spasmogenic and spasmolytic constituents in *Sida pakistanica*, A.H. Gilani, N. Aziz, Mansoor Ahmad, M. T. Alam & G.H. Rizwani, *J. Pharmaceutical Biology*, **37**(1), 173 (1999). UK
70. The toxic effects of environmental pollution on the chemical constituents of Arabian Sea algae. F. Mazhar, M. Aslam, M. Anwar, **Mansoor Ahmad**, G.H. Rizwani, . *Proc. 1<sup>st</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, **I**, 62 (1999). Pakistan
71. Neuropharmacological studies on medicinal plant *Ixora coccinea*. K. Jabeen, G.H. Rizwani, **Mansoor Ahmad**, S.P. Ahmed , S. Takween & V. U. Ahmad. *Proc. 1<sup>st</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, **I**, 99 (1999). Pakistan

72. Some chemical constituents from n-hexane fraction of medicinal plant *Ixora coccinea*. K. Jabeen, G.H. Rizwani, **Mansoor Ahmad**, V.U. Ahmad & N. Haq. *Proc. 1<sup>st</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, **I**, 104 (1999). **Pakistan**
73. The effects of plant extract *Clitoria ternatea* Linn. on serum electrolytes. T. Khan, G.H. Rizwani, **Mansoor Ahmad**, V. Sultana & Jahanara. *Proc. 1<sup>st</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, **I**, 194 (1999). **Pakistan**
74. Determination of hemolytic activity in different extracts of *Clitoria ternatea* Plant. . T. Khan, G.H. Rizwani, **Mansoor Ahmad**, V. Sultana & Jahanara. *Proc. 1<sup>st</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, **I**, 199 (1999). **Pakistan**
75. Phytochemical studies on *Calophyllum inophyllum* Linn. S. Mahmud, G.H. Rizwani, **Mansoor Ahmad**, M. Ali, S. Perveen & N. Haq. *Proc. 1<sup>st</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, **I**, 149 (1999). **Pakistan**
76. A New Fast Acting Antitussive from *Piper longum* L. M. A. Yaqoob, G. H. Rizwani and **Mansoor Ahmad**. *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics* (27<sup>th</sup> Nov., 1999). **Pakistan**
77. Agglutination Activity of Medicinal Plants against Human Erythrocytes, A. Sajjad, **Mansoor Ahmad**, S. Siddiqui, K. Hashmi & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci Conf. on Herb, Medicines & Therapeutics* (27<sup>th</sup> Nov., 1999). **Pakistan**
78. Haemagglutination Activity of Selected Medicinal Plants used in Folkloric Medicines, N. Adil, **Mansoor Ahmad**, S. Siddiqui, K. Hashmi & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, (27<sup>th</sup> Nov., 1999). **Pakistan**
79. Smooth Muscles as Diagnostic Tool for Standardization of Herbal Drugs, N. Adil, **Mansoor Ahmad** & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, (27<sup>th</sup> Nov., 1999). **Pakistan**
80. Intestinal Smooth Muscles Activity in Medicinal Plants, *Tinospora cordifolia* Miers, *Hedysarum alhagi* Linn., *Achyranthes aspera* Linn, *Andropogon muricatus* Retz., *Aristolochia indica* Linn. and *Alhagi maurorum* Medic in Vorles, , A. Sajjad, Mansoor Ahmad & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, (27<sup>th</sup> Nov., 1999). **Pakistan**
81. A Promising Herbicide, F. A. Siddiqui, Mansoor Ahmad & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, (27<sup>th</sup> Nov., 1999). **Pakistan**
82. Shahi: A Tayyabi Dawakhana Tonic for All Groups, M.R. Khan, **Mansoor Ahmad** & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, (27<sup>th</sup> Nov., 1999). **Pakistan**
83. Zaheeri: An Herbal Product Available in Local Market for Diarrhoea & Dysentery. , M.R. Khan, **Mansoor Ahmad** & G. H. Rizwani, *Proc. 2<sup>nd</sup> Natl. Sci. Conf. on Herb, Medicines & Therapeutics*, (27<sup>th</sup> Nov., 1999). **Pakistan**
84. Clinical Aspects of Shahi-I: Effects on blood parameters in healthy Volunteers. **Mansoor Ahmad**, M.R. Khan and K.A. Chisti. *Proc. Natl. Sci. Conf. Hamdard University*, (2<sup>nd</sup> Nov., 2000). **Pakistan**

85. Antidiabetic activity of *Caralluma tuberculata* N.E. Brown in alloxanized Rabbits. Q. Najm-us-Saqib, A. Waheed, F. Zia and **Mansoor Ahmad**. *Proc. Natl. Sci. Conf. Hamdard University*, (2<sup>nd</sup> Nov., 2000). **Pakistan**
86. Arthritis of Today. **Mansoor Ahmad**. *Proc. Natl. Sci. Conf. Hamdard University*, (2<sup>nd</sup> Nov., 1999). **Pakistan**
87. Erythrins C-F, four isoflavonoids from *Erythrina suberosa* var. *glabrescens*. H. Tanaka, H. Etoh, N. Watanabe, H. Shimizu, **Mansoor Ahmad**, G.H. Rizwani. *Phytochemistry*, **56**, 769 (2001). **USA**
88. Revised Structures for Senegalensin and Euchrenone b<sub>10</sub>. H. Tanaka, M. Doi, H. Etoh, N. Watanabe, H. Shimizu, M. Hirata, **Mansoor Ahmad**, I. Qureshi and M. R. Khan, *J. Nat. Products*, **64** (10), 1336 (2001). **USA**
89. Three New Isoflavonoids from *Erythrina variegata*. H. Tanaka, M. Hirata, H. Etoh, N. Watanabe, H. Shimizu, **Mansoor Ahmad**, Z. Khan & M. Anwar, *Heterocycles*, **55** (12), 2341 (2001). **Japan**
90. Two diphenylpropan-1,2-diol syringates from the roots of *Erythrina variegata*. H. Tanaka, M. Hirata, H. Etoh, N. Watanabe, H. Shimizu, **Mansoor Ahmad**, Y. Terada & T. Fukai, *J. Nat. Prod.*, **65** (12), 1933 (2002). **USA**
91. Chemical Composition of *Abroma augusta* Linn. Seed Oil. W. Ahmad, T. Khan, B. Ahmad, Z. Iqbal, **Mansoor Ahmad**, M. Ahmad, Q. Jan & M. Arfan, *Pak. J. Biol. Sci.*, **6(12)**, 1033, (2003). **Pakistan**
92. *In vitro* inhibition of Acetylcholinesterase, Butyrylcholinesterase and Lipoxigenase by Crude Extract of *Myricaria elegans* Royle W. Ahmad, M. Ahmad, Z. Iqbal, B. Ahmad, M. Nisar Ahmad & **Mansoor Ahmad** *J. Biol. Sci.*, **3(11)**, 1046, (2003). **Pakistan**
93. Theoretical Studies on the Configuration of a Chalcanol derivative. Y. Terada, M. Hirata, H. Etoh, N. Watanabe, H. Shimizu, **Mansoor Ahmad** & H. Tanaka. *J. Chem. Research (S)*, 46-47 (2003). **Japan**
94. Methods in Clinical Evaluation and Validation of Herbal Drugs/ Medicines/ Preparations. **Mansoor Ahmad**. *I. Chem. Pharm. Med. J.*, **1(1)**, 1-26, (2004). **Pakistan**
95. Comparative Pharmacological Study on Red and Black fruits and leaves of these two plants of *Solanum nigrum* (Black Nightshade). Mehjabeen, Jahan, N., **Mansoor Ahmad**, Chishti, K. A., Hamid, S. and Rehman A. B. *I. Chem. Pharm. Med. J.*, **1(1)**, 39-47, (2004). **Pakistan**
96. Antidiarrheal Effects of Rosemary Oil (*Rosemarinus officinalis*). Ibrar, M., Mansoor Ahmad, Mehjabeen, Jahan N., Chishti K. A. *I. Chem. Pharm. Med. J.*, **1(1)**, 49-53, (2004). **Pakistan**
97. Standardization of Plant-Based Medicine. **Mansoor Ahmad**. *I. Chem. Pharm. Med. J.*, **1(2)**, 87-101, (2004). **Pakistan**
98. 16-hydroxyingenol diterpene ester from the latex of *Euphorbia cauducifolia*. Baloch, I. B., Baloch, M. K., Saqib, Q. N. and **Mansoor Ahmad**. *I. Chem. Pharm. Med. J.*, **1(2)**, 107-111, (2004). **Pakistan**

99. Study of Snakebite cases admitted in NPCC, Karachi from January 1999 to December 2002. Turabi, A., **Mansoor Ahmad** and Chishti K. A. *I. Chem. Pharm. Med. J.*, **1**(2), 123-129, (2004). **Pakistan**
100. Spasmolytic activity of *Thuja occidentalis* (Cupressaceae). Jahan, N., Mehjabeen, **Mansoor Ahmad**, Shah, N. M., Chishti, K. A., Hamid, S. and Rehman, A. B. *I. Chem. Pharm. Med. J.*, **1**(2), 135-140, (2004). **Pakistan**
101. Results of rapid antimicrobial sensitivity and toxicity test of the extracts of *Swertia chirata*, *Symplocos racemosa* and *Solanum nigrum*. **Mansoor Ahmad**, Mehjabeen, Jahan, N, Shah, N. M., Ahmad, M., Raza, H., Khan, S., Rehman, A. B. *I. Chem. Pharm. Med. J.*, **1**(2), 145-147, (2004). **Pakistan**
102. Active constituents from *Chenopodium murale*, Ahmad, B., Jan, Q. & Mansoor Ahmad. *Intl. Chem. Pharm. Med. J.*, **1**(1), 55-61, (2004). **Pakistan**
103. New successes in the cure of urinary bladder cancer with drugs of natural origin, **Mansoor Ahmad**, Mahboob S. Afand Nadir, M. *Intl. Chem. Pharm. Med. J.*, **2**(1), 153-161 (2005). **Pakistan**
104. In vitro inhibition of urease and a-chymotrypsin by some selected indigenous medicinal plants. **Mansoor Ahmad**, T. Khan, M. Nisar, M.A. Lodhi, W. Ahmad, M. Ahmad. *Intl. Chem. Pharm. Med. J.*, **2**(1), 179-181(2005). **Pakistan**
105. Enzyme Inhibition and Radical Scavenging Activities of Aerial Parts of ***Paeonia emodi*** Wall. (Paeoniaceae).T. Khan, **Mansoor Ahmad**, M. Nisar, M. Ahmad, M. A. Lodhi, & M. I. Choudhary, *J. Enzyme Inhibition and Medicinal Chemistry*, **20**(3): 245-249 (2005). **UK**
106. Biological activities of aerial parts of *Paeonia emodi* Wall, T. Khan, **Mansoor Ahmad**, H. Khan and M.A. Khan, *African J. Biotechnology* **4**(11), 1313-1316 (2005). **Africa**
107. Molecular biological techniques: Application in herbal medicine. **Mansoor Ahmad**, Zehra, Munira, S.A. Khan. *I. Chem. Pharm. Med. J.*, **2**(2), 217-229 (2005). **Pakistan**
108. Pharmacognostic Studies of Some Diuretic Medicinal Plants of Pakistan. M. Mirza, G.H.Rizwani, Z. Yaseen, R.B. Qadri, **Mansoor Ahmad** & S. Mehmood. *Hamdard Medicus XLVIII*(2), 178-194 (2005). **Pakistan**
109. Evaluation of Phytomedicinal Potentials of Selected Plants of Pakistan, T. Khan, **Mansoor Ahmad**, R. Khan, H. Khan, A. Ejaz and M. I. Choudhary. *American Laboratory*, April, 20-22 (2006). **USA**
110. Drug overdose: Study Conducted at National Poison Control Center. A. Turabi, S. Hasan, J. Ara and **Mansoor Ahmad**. *Pak. J. Pharmacology*, **23**(1), 31-37 (2006) **Pakistan**
111. Standardization of crude extracts derived from selected medicinal plants of Pakistan for elemental composition using **SEM-EDX**, T. Khan, **Mansoor Ahmad**, H. Khan &W. Ahmad, *Asian J. Plant Sciences*, **5**(2), 211-216 (2006). **Pakistan**
112. Hepatitis related angina. **Mansoor Ahmad**, Mehjabeen, N. Jahan, *Intl. Chem. Pharm. Med. J.*, **3**(1), (2006). **Pakistan**

113. Spasmolytic and spasmogenic activities of crude extract and subsequent fractions of *Paeonia emodi*. T. Khan, **Mansoor Ahmad**, *Pharmazie*, **62**(6): 476-477 (2007). **Germany**
114. Characterization and compositional studies of oil from seeds of Desi chickpea (*Cicer arietinum* L.) cultivars grown in Pakistan. M. Zia-ul-haq, **Mansoor Ahmad**, S. Iqbal, S. Ahmad, H. Ali, *J. Am. Oil. Chem. Soc.*, DOI 10.1007/s 11746-007-1136-3 (2007). **USA**
115. A low molecular weight alkaline serine protease from the seeds of *Nelumbo nucifera*: Purification and characterization. S. Khan, **Mansoor Ahmad**, H. Khan, *J. Chem. Soc. Pak.*, **29**(2): 155-160 (2007). **Pakistan**
116. Phytotoxic and insecticidal activities of medicinal plants of Pakistan: Studies on *Trichodesma indicum*, *Aconitum leave* and *Sauromatum guttatum*. T. Khan, **Mansoor Ahmad**, R. Khan, H. Khan, M. I. Choudhary, *J. Chem. Soc. Pak.*, **29**(3): 260-264 (2007). **Pakistan**
117. Outcome of patients after coronary artery bypass grafting in cardiogenic shock. M.I. Dar, A.U. Manan, B. Rasheed, G. Murtaza, **Manasoor Ahmad**, *Ann. Thorac. Cardiovasc Surg*, **13**(4), 247-250 (2007). **Japan**
118. Evaluation of suspected chronic pesticide poisoning among residents near agriculture Fields. A. Turabi, A. Danyal, S. Hassan, Y. Salat, **Mansoor Ahmad**, M.A. Rashid, A. H. Asif, *Biomedica* **23**, 76-82 (2007). **Pakistan**
119. Snakebite: Identification, prevalence and management. A. Turabi, S. Hassan, A. Danyal. **Mansoor Ahmad**, A. H. Asif, *Medical Forum* **18**, 10-16 (2007). **Pakistan**
120. Characteristics of oil from seeds of 4 Mungbean [*Vigna radiate* (L.) Wilczek] Cultivars Grown in Pakistan. M. Zia-Ul-Haq, **Mansoor Ahmad**, S. Iqbal. *J. Am. Oil. Chem. Soc.*, DOI 10.1007/s 11746-008-1296-z (2008). **USA**
121. Determination of residual contents of pesticides in rice (*Oryza sativa* L.) crop from different regions of Pakistan. S. Ahmad, M. Zia-ul-Haq, M. Imran, S. Iqbal J. Iqbal, **Mansoor Ahmad**. *Pak. J. Bot.*, **40**(3), 1253-1257 (2008). **Pakistan**
122. Urease inhibitor from *Datisca cannabina* linn. **Mansoor Ahmad**, N. Muhammad, M. Ahmad; M. A. Lodhi, Mehjabeen, N. Jehan, Z. Khan, R. Ranjit, F. Shaheen, M. I. Choudhary. *J. Enzyme Inhibition and Medicinal Chemistry*, **23**(3): 386–390 (2008). **UK**
123. Antimicrobial and cytotoxicity activities of the medicinal plant *Primula macrophylla* Q. Najmus-Saqib, F. Alam **Mansoor Ahmad**. *J. Enzyme Inhibition and Medicinal Chemistry*, iFirst Article: 1–5 (2008). **UK**
124. Antiulcerogenic and Toxicological Studies of *Glycyrrhiza glabra* Roots Available in Local Market of Karachi. N. Fatima, **Mansoor Ahmad**, S. Syed, H. Imran, Z. Yaqeen. *Karachi University Journal of Science*, **36**, 5-8 ( 2008). **Pakistan**
125. Compability and stability of polygeline (Haemaccel) with different brands of cefotaxime. **Mansoor Ahmad** and N. Adil. *European J. Parenteral & Pharmaceutical Sciences*, **14**(2): 51-55 (2009) **UK**

126. Effects of Cultivar and Row Spacing on Tocopherol and Sterol Composition of Chickpea (*Cicer arietinum* L) Seed Oil. M. Zia-ul-Haq, S. Ahmad, **Mansoor Ahmad**, S. Iqbal, and K. M. Khawar. *Tarim Bilimleri Dergisi*.**15** (1).25-30, (2009). **Turkey**
127. Evaluation of five indigenous medicinal plants of Sindh, Pakistan for their antifungal potential. E. Naz & Mansoor Ahmad. *Pak.J. Sci. Ind. Res.* **52**(6): 328-333 (2009) **Pakistan**
128. Coronary artery bypass surgery in old age group: Is age itself a barrier? M. I. Dar A.H. Dar, K. Almani, A. Mannan, A.Q. Khan, G.H. Rizwani & Mansoor Ahmad, *J. Pak Med. Assoc. (JPMA)*, **59**(9): 587-9 (2009). **Pakistan**
129. Nematicidal activity of selected flora of Pakistan. Muhammad Zia ul Haq, **Mansoor Ahmad** and Mussarat Akhter. *Pak. J. Bot.*, **42**(3): 2119-2123, (2010). **Pakistan**
130. Assaying insecticidal and wormicidal activities in crude extracts of leaves and seeds of *Portulaca oleracea* L., S. Syed, **Mansoor Ahmad**, Mehjabeen, N. Jahan, N. Fatima. *Int.J.Biol.Biotech.*, **7**(4): 439-443 (2010). **Pakistan**
131. Evaluation of antimicrobial properties of *Terminalia chebula* Retz. S.H.R. Naqvi, M. Asif, A.B. Rahman, **Mansoor Ahmad**. *Pak. J. Pharmacol.* , **27**(1): 29-35 (2010). **Pakistan**
132. Antimicrobial screening of some medicinal plants of Pakistan. Noor Jahan, **Mansoor Ahmad**, Mehjabeen, M. Zia-ul-Haq, S. M. Alam, M. Qureshi. *Pak. J. Bot.*, **42**(6): 4281-4284 (2010). **Pakistan**
133. Determination of LD<sub>50</sub> and ED<sub>50</sub> by dose response relationship and assessment of toxicological and non toxicological behaviour of *Ipomoea hederacea*. **Mansoor Ahmad**, Mehjabeen, M. Zia-Ul-Haq, N. Jahan. *J. Pharm. Res.*, **4**(4):1176-1178 (2011). **India**
134. Pharmacological profile of *Salvadora persica*. **Mansoor Ahmad**, H. Imran, Z. Yaqeen, Zakir-ur Rehman, Atiq-ur-Rahman, N. Fatima and T. Sohail. *Pak. J. Pharma. Sci.* **24**(3), 323-330 (2011). **Pakistan**
135. Antimicrobial screening of some plants of medicinal importance. Mehjabeen1, **Mansoor Ahmad**, Noor Jahan, M. Zia-ul-Haq, S. Mehboob Alam, Asma Wazir, Saeed-ul-Hassan. *Pak. J. Bot.*, **43**(3): 1773-1775 (2011). **Pakistan**
136. Phytopharmacological assessment of medicinal properties of *Psoralea corylifolia*. M. Anwar, M. Ahmad, Mehjabeen, **Noor Jahan**, O. A. Mohiuddin and M. Qureshi. *African J Pharm. & Pharmacol.*, **5**(23), 2627-2638 (2011). **Nigeria**
137. Differential inhibitory potencies of alcoholic extract of different parts of *Dryopteris chrysocoma* on inflammation in mice and rats, **Mansoor Ahmad**, **N. Jahan**, Mehjabeen, M. A. B. Rehman, M. Ahmad, Obaidullah, N.Muhammad. *Pak. J. Pharm. Sci.*, **24**(4):559-563 (2011). **Pakistan**
138. Antimicrobial screening of selected flora of Pakistan. M. Zia-Ul- Haq, **Mansoor Ahmad**, Mehjabeen, N. Jehan, S Ahmad, M Qayum and IK Marwat. *Arch. Biol. Sci.*, Belgrade, **63** (3): 691-695 (2011). **Serbia**
139. Evaluation of antioxidant and urease inhibition activities of roots of *Glycyrrhiza glabra*. M. Lateef, L. Iqbal, N. Fatima, K. Siddiqui, N. Afza, M. Zia-ul-Haq and **Mansoor Ahmad**. *Pak. J. Pharm. Sci.*,**25**(1):99-102 (2012). **Pakistan**

140. Exploration of signal transduction mechanism of therapeutic action of *Solanum nigrum*. **Mansoor Ahmad**, MehJabeen and N. Jahan. *African J. Pharm & Pharmacol.*, **6**(5), 322-329 (2012). **Nigeria**
141. Spasmolytic effects of *Scrophularia nodosa* extract on isolated rabbit intestine. **Mansoor Ahmad**, N. Muhammad, Mehjabeen, N. Jahan, M. Ahmad, Obaidullah, M. Qureshi and S. U. Jan. *Pak. J. Pharm. Sci.*, **25**(1):267-275 (2012). **Pakistan**
142. Pharmacological and biological evaluation of extracts from *Gratiola officinalis* L. (Scrophulariaceae). Mansoor Ahmad, N. Muhammad, Mehjabeen, N. Jahan and **M. Ahmad**. *Pak. J. Pharm. Sci.*, **25**(3):657-663 (2012). **Pakistan**
143. Biocompatibility Testing of Plastic Material (LDPE) of PlasmaSubstitutes (Polygeline). **Mansoor Ahmad** and N. Adil. *Intl. J. Pharm. Research & Allied Sci.* (IJPRAS), **1**(3):, 79-87 (2012). **India**
144. Spasmogenic and Spasmolytic activity of *Gratiola officinalis* Linn. N. Muhammad, **Mansoor Ahmad**, Mehjabeen, N. Jahan, M. Ahmad and Z. Khan. *IJBPAS*, **1**(5): 636-644 (2012). **India**
145. Analgesic, antimicrobial and cytotoxic effect of *Cyperus rotundus* ethanol extract. **Mansoor Ahmad**, Mahayrookh, S.I. Ahmad, Mehjabeen, A.B. Rehman and N. Jahan. *Pakistan J. Pharmacology*. **29**(2):1-7(2012). **Pakistan**

## BOOKS

- Contributed a chapter on Resin in "**Topics in Pharmacognosy**". Edited by K. Usmanghani, published by University Grants Commission (UGC), **Pakistan, 1982**.
- Contributed a chapter on "**Caralluma tuberculata: Biology, Ethnopharmacognosy and Chemistry**" in Herbal Drugs by M. Iqbal. Jamia Hamdard, Hamdard University, New Delhi, **India, 1994**.
- **Toxins of 30 Arabian Poisonous Plants**, Edited by Essam Ahmad Abu Akar and **Mansoor Ahmad**, College of Pharmacy, **Philadelphia University, Jordan, 1996**.
- Proceedings of 1<sup>st</sup> National Conference on "**Herb, Medicines and Therapeutics**" Edited by **Mansoor Ahmad** and G.H. Rizwani, Pakistan Society of Pharmacognosy, Department of Pharmacognosy, Faculty of Pharmacy, University of Karachi, Karachi, **Pakistan, 1999**.
- **Hepatitis**, Edited by Ghulam Ali, Aftab Turabi & **Mansoor Ahmad**, published by Sindh Medical College, Jinnah Post Graduate Medical Center, Research Institute of Pharmaceutical Sciences, University of Karachi, Karachi, **Pakistan, 28-29<sup>th</sup> May 2002**.
- **Current Challenges & Management in Hepatitis**, Edited by **Mansoor Ahmad & Hyder Raza**, Published by Research Institute of Pharmaceutical Sciences, University of Karachi, Karachi, **Pakistan, 2004**.
- **Arthritis: How to cure and care!**, Edited by **Dr. Mansoor Ahmad**, Farah Saeed and Munir Anwar, published by Research Institute of Pharmaceutical Sciences, University of Karachi, Karachi, **Pakistan, 2004**.

- **Clinical Pharmacognosy**, Edited by **Dr. Mansoor Ahmad**, Mehjabeen and Noor Jahan published by Research Institute of Pharmaceutical Sciences, Department of Pharmacognosy, University of Karachi, Karachi, **Pakistan, 2012.**
- **Renal Failure**, Its Treatment in Current System of Medicines, Edited by **Dr. Mansoor Ahmad**, Dr. Farah Saeed, Dr. Mehjabeen and Dr. .Noor Jahan, published by Research Institute of Pharmaceutical Sciences, Department of Pharmacognosy, University of Karachi, Karachi, **Pakistan, 2013.**
- **Researches on Pharmacopoeias' Plants**, Edited by **Dr. Mansoor Ahmad**, published by Research Institute of Pharmaceutical Sciences, Department of Pharmacognosy, University of Karachi, Karachi, **Pakistan, 2013.**

#### INTERNATIONAL JOURNALS (Editor/Editorial Board)

- Editor-in-Chief of **International Chemical, Pharmaceutical & Medical Journal** (ISSN # 1810-7249), Research Institute of Pharmaceutical Sciences, University of Karachi.
- Member Editorial Board, **Pakistan Journal of Pharmaceutical Sciences**, Faculty of Pharmacy, University of Karachi.

#### ARTICLES OF GENERAL INTEREST

10 general articles published in local newspapers, magazines and journals (in mother tongue and/ English).

## ACHIVEMENTS OF PROFESSOR DR. MANSOOR AHMAD

#### Administrative Experiences

He served the Department of Pharmacognosy, Pharmacy, and University of Karachi, as **Chairman** from **1977-79, 1990-92, 1994 (Care Taker), 1996-99, 2005-2006** and **Dean (Acting) Pharmacy** 15 Dec. 2006 to 24 Jan. 2007, **Chairman**, Equivalence Committee, University of Karachi, from **April 15, 2007 – date. Secretary Affiliation Committee July 8, 2010 – date; Director BCC&T Press March 10, 2008 –July 7, 2010, Director (Acting), Confucius Institute at University of Karachi, 03-12-2012 till presence.**

9. As chairman (1990-91) of the department prepared maps and documents for Research Institute of Pharmaceutical Sciences (RIPS).
10. Developed and constructed the building of RIPS as major active member in 1998.
11. Developed the labs of Pharmacognosy with latest equipments 1999.
12. Brought donations for M. Phil./Ph. D. research labs;
  - Glassware of worth Rs.1500,000/=
  - Gas Chromatograph of worth Rs.10,00,000/=
  - Methanol Analytical Grade of worth Rs.200000/=
13. Prepared PC-1 for purchasing of equipments and government has approved it and sanctioned Rs.10300000/= for four department of Pharmacy in 1999.

14. Prepared PC-1 for Department of Pharmacognosy in mega project of university. Mega Project was approved and sanctioned an amount (Rs26000000/=) for Pharmacy, for the purchase of books, laboratory equipments, construction of separate building of Pharmacognosy, scholarships for faculty development in 2005.
15. Developed a liaison between pharmacy and pharma industry and in result of it industries asked for solving their problems. Got many project on it.
16. Services to pharma industry prepared documents for herbal drugs of export quality for herbal pharma industries, and university earned Rs.300000/= (2004-2005)

#### **Professional and Research Activities**

1. In 1998-99 designed, prepared and formulated Six most important herbal medicines for *Arthritis, Ulcer, Reproductive disorders, Fever & Cough (Respiratory infections) and Digestion*, which is his an outstanding achievement towards professionalism and a work for humanity.
10. Presidential Award 2000 (*Izaz-e-Fazeelat*) was received in August 2000 and Karachi University Teachers Society (KUTS) awarded Nishan-e-Azmat-e-Danish in October 2000.
11. Patentized the herbal drug.
12. He is Editor-in-Chief of International Chemical, Pharmaceutical & Medical Journal which is serving as a linkage among chemists, biologists, pharmaceutical industries, doctors/physicians.
13. Productive Scientist of the Pakistan ranking book published by PCST (Ministry of Science and Technology) in 2004. His rank in the country is 125 and on the Top of Pharmacognosy (Pharmacy).
14. Recently selected as Meritorious Professor through Board and appointed by the Governor of Sindh in BPS **Grade-22** (May 2008).
15. He is a Selected Research Supervisor of HEC for Ph. Ds.
16. Published 7 books on pharmacy and medical.
17. Memberships to Scientific Societies:
 

|                                                                       |                                                |

| m) Board of Studies ( <b>Gomal Univ.</b> )                            |                                                |
| n) Board of Advance Studies Research ( <b>Dow Univ. Health Sci.</b> ) |                                                |
| o) Board of Studies ( <b>Malakand Univ.</b> )                         |                                                |

#### **Presentation of a New Theory**

1. His 1995 & 1996 research publications deal with the drugs having *cardiac pharmacological* activities. In these publications, he proposed a theory on Cardiac Drugs Design in *Phytotherapy Research Journal*, U. K. (September vol. 9) 1995 and 1996, which might change the trend of *drug designing and preparations*. His previous publications (1990-93) on *synthetic & semi synthetic* drugs for cardiac problem especially *Anti-Cholesterol* and *Anti-Lipid agents*, are of high significance.

#### **Services for Life Saving Profession (Medical/Medicine)**

1. Nowadays he is organizing the research and research facilities in the field of *Phyto-medicine/Phytochemistry & Pharmacognosy/Herbal Medicines, Biology*, at newly established *Research Institute of Pharmaceutical Sciences*, Faculty of Pharmacy, University of Karachi.

2. In 1997, 1999, 2004 & 2010 he organized National Science Conference on Herbs, Medicines & Therapeutics and published the proceedings of First Science Conference organized in March 1997.
3. Till date **50** students obtained their degree of *M. Pharm./M. Phil. degree/Ph. D.*
4. Represented the Department of Pharmacognosy in ***Pak Pharma Expo 2006, 2007 & 2011*** and displayed the achievements and services of the department to common people and Pharma industries from 7-9 June 2011.
5. Government of Pakistan awarded Productive Research Award in **2011** and **2012** via Pakistan Council for Science & Technology.

## **INTERNATIONAL PATENTS SOLO**

Prof. Dr. Ahmad got registration of 10 patents solo entitled: 1) *Novel product as therapeutic agent against gastrointestinal ulcer*, 2) *Novel product as therapeutic agent against hypertension*, 3) *A novel hepatoprotective compound from Buddleja davidii*, 4) *An antimicrobial and antileishmanial compound Solanum nigrum*, 5) *Novel herbal cream as therapeutic agent for aging*, 6) *Novel hair growth promoting oil*, 7) *Herbal remedy against sexual dysfunction*, 8) *Herbal remedy against gastritis*, 9) *Herbal remedy against hepatitis*, 10) *Sexual lubricants containing sodium as an antiviral agent*.
